## NOTICE OF DELEGATION

DEVELOPMENT CONTROL POWERS  
UNDER THE METROPOLITAN REGION SCHEME  
TO LOCAL GOVERNMENT

File: 970-1-1-3

Notice is hereby given that the Western Australian Planning Commission (*the Commission*) acting pursuant to the provisions of section 20 of the Western Australian Planning Commission Act 1985 has resolved to cancel a delegation and to delegate its powers and functions with respect to the Metropolitan Region Scheme (*the MRS*) as set out in this notice.

### 1. Cancellation of Delegation

The delegation enacted by notice published in the *Government Gazette* on 28 November 1997, relating to the determination of applications for approval to commence development by local governments, is hereby cancelled.

### 2. Notice of Delegation

The Commission has resolved, subject to the exceptions set out herein and to conditions set out in Schedule 1 of this notice, to delegate to local governments and to members or officers thereof, its function as responsible authority in respect of the determination, in accordance with Part IV of the MRS, of applications for approval to commence and carry out development within their respective local government districts—

- (a) on land zoned under Part III of the MRS—
  - (i) except where the land is subject to a resolution under Clause 32 of the MRS; or
  - (ii) except where the land is subject to the declaration of a planning control area under section 35C of the Metropolitan Region Town Planning Scheme Act 1959; or
  - (iii) except where that land is partly within the management area within the meaning of the Swan River Trust Act 1988 or is outside the management area but abuts waters within the management area; or
  - (iv) except where the local government is of the opinion that the application should be determined by the Commission on the grounds that the proposal is of State or regional importance or is in the public interest, or
  - (v) except in respect of development by public authorities; or
  - (vi) except to the extent necessary to give effect to the provisions of clauses 3, 4, and 5 of this notice.
- (b) on land reserved or partly reserved under Part II of the MRS for the purposes of a highway or road to the extent necessary to give effect to the provisions of clause 3 of this notice.

### 3. Development On or Abutting Regional Road Reservations

*[This clause relates to all regional road reservations in the MRS as amended from time to time. Western Australian Planning Commission plans SP 693/1 and SP 694/1 (as revised from time to time) show the current regional roads under the responsibility of Main Roads WA (Plan SP 693/1) and the Commission (Plan SP 694/1). Plan SP 693/1 also shows additional roads under control of MRWA that are not currently reserved in the MRS. Plans SP 693/1 and SP 694/1 categorise the regional roads as—*

*Category 1—frontage access is not allowed (control of access).*

*Category 2—frontage access may be allowed subject to approval.*

*Category 3—road reservation not accurately defined or under review.*

*(See the section below headed A Interpretations@ for further explanation of these categories).*

*The regional road network changes from time to time with amendments to the MRS and the Ministry for Planning should be contacted with regard to new additions to the regional road network to ascertain the category and whether Main Roads WA or the Commission has responsibility. Similarly, the Ministry for Planning should be contacted to ascertain the latest revision of plans SP 693/1 and SP 694/1.*

*The Ministry for Planning will provide local governments with comments and recommendations on applications for development on or abutting regional road reservations for which the Commission is responsible. Main Roads WA will provide local governments with comments and recommendations on applications for development on or abutting regional road reservations for which it is the responsible authority.*

*Copies of plans SP 693/1 and SP 694/1 are available from the office of the Commission, Albert Facey House, 469 Wellington Street, Perth.]*

#### (a) Category 1 and 2 roads

The following applications for development on land on or abutting regional road reservations classified as Category 1 or 2 shall be referred to Main Roads WA or the Ministry for Planning, as applicable, for comment and recommendation before being determined by the local government—

- applications which propose retention of an existing access between the subject land and the road reservation, where there is an alternative access to a local road;

Exceptions in respect of Category 1 and 2 roads:

Referral is not required where—

- (i) the local government first decides to refuse an application under the MRS; or
- (ii) the application is for a residential development of less than five dwellings without any development encroachment upon the road reservation; or
- (iii) the application is for an ancillary and incidental addition or modification to an existing authorised development which does not encroach upon the road reservation.

(b) Category 3 roads

All applications for development on land on or abutting regional road reservations classified as Category 3 shall be referred to Main Roads WA or the Ministry for Planning, as applicable, for comment and recommendation before being determined by the local government.

Exception—

Referral is not required where the local government first decides to refuse an application under the MRS.

The Ministry for Planning or Main Roads WA, as applicable, shall provide comment and recommendations, if any, within 30 days of receipt of the application. If no comment or recommendation is received within that 30 day period the local government may determine the application on the available information. Where a recommendation provided by the Ministry for Planning or Main Roads WA is not acceptable to the local government, the application shall be forwarded immediately to the Commission for its determination.

In determining applications under this delegation, local governments shall have regard for the Commission's Policy D.C 5.1 "Regional Roads (Vehicular Access)".

#### **4. Development Abutting Swan River Trust Management Area**

Any application for development on land that is outside the management area but abutting land that is in the management area, or in the opinion of the local government is likely to affect waters in the management area, shall be referred to the Swan River Trust for comment and recommendation.

The Swan River Trust shall provide its comment and recommendation, if any, within 30 days of receipt of the application. If no comment or recommendation is received within that 30 day period the local government may determine the application on the available information. #### **5. Development Abutting Other Reservations**

Applications for development on land abutting land reserved in the MRS for purposes other than regional roads or Parks and Recreation (where the reservation corresponds with the Swan River Trust management area and is covered by clause 4 of this notice) shall be referred to the public authority responsible for that reserved land for comment and recommendation. In the case of land reserved for the purpose of Parks and Recreation which is not vested or owned by another public authority, the application shall be referred to the Ministry for Planning.

The Ministry for Planning or the public authority, as the case may be, shall provide comment and recommendation, if any, within 30 days of receipt of the application. If no comment or recommendation is received within that 30 day period the local government may determine the application on the available information. Where a recommendation provided by the relevant public authority is not acceptable to the local government, the application shall be forwarded immediately to the Commission for its determination.

#### **Schedule 1**

For the purpose of this notice, the powers delegated to a member or officer of a local government may only be exercised by a member or officer who has delegated power from Council to consider and determine applications for approval to commence and carry out development within the local government district under the local government town planning scheme.

#### **Interpretations**
