Firebreak Inspections and Penalties

Fire Prevention—Protect the people and properties in your neighbourhood.

Key Dates

15 September 2017—Deadline for applying (in writing) for variation to fire breaks.

- 5 October 2017—All fire prevention measures must be completed and then maintained until 1 May 2018 (or within 14 days of becoming the owner or occupier, should this be after that date).
- 6 October 2017—Fire prevention work inspections carried out by Rangers/Fire Control Officers—Infringements for non-compliance will be issued from this date.
- 1 May 2018—End of firebreaks and fire prevention maintenance period.

Firebreak variation will only be considered if presented in writing by 15 September 2017. If it is considered for any reason to be impractical to clear firebreaks as required by this notice, or if you consider natural features render firebreaks unnecessary, you may make your case in writing to the City of Greater Geraldton.

Penalties apply to persons who fail to comply with the requirements of the City of Greater Geraldton Firebreak Notice. This could be an infringement notice or prosecution. Where the owner fails to comply with the requirements of this notice, the City may engage a contractor to carry out the required work at the cost to the owner or occupier. If contractors cannot attend to your work prior to the 5 October deadline; to avoid prosecution you must provide evidence that you made a booking with the contractor prior to 5 October. The infringement penalty for failure to maintain a firebreak (fire prevention work) as per firebreak order is \$250.
