5.5 The Finance Broker may sometimes arrange and negotiate a loan for both parties. The test to apply is to consider whether in the interests of one party the Finance Broker should withhold some information or advice from the other party. If this should occur then the Finance Broker must inform both Parties to instruct other finance brokers to act on their behalf.

5.6 The Finance Broker must not act for a party in the same matter if that party has provided confidential information which the Finance Broker is obliged to disclose to the Finance Broker's Principal to the detriment of the Party supplying the confidential information.

Where a borrower proposes to appoint the Finance Broker to act to negotiate and arrange a loan and the Finance Broker is also acting on behalf of the lender and is to receive a fee commission or other remuneration from the lender for arranging and negotiating the loan then before the appointment required by Section 43 of the Act is effected and before the Finance Broker submits any loan application on behalf of the borrower the Finance Broker must give to the borrower a notice in writing in the form of Form 3 in the Schedule to this Code which must disclose the name of the lender and the fact that a fee commission or other remuneration may be received by the Finance Broker from the lender for negotiating and arranging the loan.
