PERTH : TUESDAY, 15th SEPTEMBER

[1959.

HEALTH ACT, 1911-1957.

Department of Public Health,
Perth, 3rd September, 1959.

HIS Excellency the Governor in Executive Council, acting under the provisions of the Health Act, 1911-1957, has been pleased to make the regulations set out in the Schedule hereunder.

LINLEY HENZELL,
Commissioner of Public Health.

Schedule.

Regulations.

1. These regulations may be cited as the Sewerage and Drainage Fixtures and Fittings Regulations, 1959.
2. These regulations apply and have effect in the districts specified in Schedule "B" of these regulations.
3. No person shall install or use in the construction of any water closet that is or is to be connected to an apparatus for the bacteriolytic treatment of sewage a closet pan or flushing cistern unless the pan or cistern—
 - (a) is of a type in respect of which a certificate of registration has been issued by the Commissioner under these regulations; and
 - (b) (i) has been tested and branded as fit for use in accordance with the regulations; or
 - (ii) has been tested and branded as fit for use in accordance with the Metropolitan Water Supply, Sewerage and Drainage Act, 1909, and the by-laws made thereunder.
4. (1) No type of closet pan shall be considered by the Commissioner for registration unless—
 - (a) each pan is constructed of suitable non-absorbent materials and is of good workmanship and free from defects;
 - (b) each pan, when flushed, is completely washed over the interior surface;
 - (c) the water seal retained in each pan after each flushing is not less than one inch;

- (d) each pan is branded with the volume of the flush by means of which it is designed to operate; and
- (e) the volume of flush by means of which the pan is designed to operate is not less than six pints nor more than eight pints.

(2) No type of flushing cistern shall be considered by the Commissioner for registration unless—

- (a) at each operation of each cistern the volume of water flushed is not less than six pints nor more than eight pints;
- (b) each cistern is so constructed that when filled to operating capacity an air gap is left between the surface of the water and the outlet of the ball cock; and
- (c) the volume of the water flushed by each operation of each cistern is painted or otherwise displayed by a durable medium on the exterior of the cistern.

5. (1) An application for a certificate of registration referred to in paragraph (a) of regulation 3 of these regulations must be made in writing and addressed to the Commissioner and must be accompanied—

- (a) by full scale drawings and specifications relating to the type of pan or cistern in question; and
- (b) by a registration fee calculated at the rate of one pound for each type of pan or cistern in respect of which the certificate is sought.

(2) The Commissioner may require an applicant to furnish him with a specimen or working model of the type of pan or cistern in respect of which the certificate is sought and with such further particulars relating to that type as he may deem necessary.

(3) Upon receipt of the application the Commissioner shall cause to be examined and inspected the drawings and specifications and the specimen or model and the further particulars furnished, if any, and if he approves of the type, he shall cause the same to be registered and a certificate of registration in the form of Form No. 1 in Schedule "A" of these regulations to be issued to the applicant.

6. (1) Upon application to the Commissioner in the form of Form No. 2 in Schedule "A" by a person to have a closet pan or flushing cistern tested, the Commissioner shall cause the pan or cistern to be tested by an inspector who is, in the Commissioner's opinion, qualified to test such apparatus.

(2) If the closet pan or flushing cistern is found fit for use, the inspector shall affix a brand thereto consisting of the letters "DPH," which shall be one-quarter of an inch in height.

(3) Before a brand is affixed to any closet pan or flushing cistern, the applicant shall upon demand pay to the Commissioner a charge for the registration of the application calculated as follows:—

	s.	d.
For each closet pan tested	2	0
For each flushing cistern tested	2	2
And for each application	10	0

7. No person shall use a flush pipe for connection to a flushing cistern or closet pan branded under these regulations unless the pipe has an internal diameter of not less than one and one-half inches and of not less than one and three-quarter inches at the point of connection to the closet pan.

8. No person other than an inspector referred to in regulation 6 of these regulations shall affix a brand of such description as is referred to in that regulation or any mark resembling that brand to a closet pan or flushing cistern.

9. No person shall install in any premises a closet pan for use in conjunction with a flushing cistern unless the length of the drain between the pan and the septic tank serving the pan or between the pan and any junction with a drain leading from any other fixture in regular or daily use is not more than ten feet.

MUNICIPAL CORPORATIONS ACT, 1906.

Municipality of Northam.

Signs, Hoardings and Bill-posting.

By-law No. 66.

L.G. 512/59.

A By-law of the Municipality of Northam made under Section 180 of the Municipal Corporations Act, 1906, and numbered 66, for Regulating Signs, hoardings and Bill-posting.

IN pursuance of the powers conferred by the said Act the Mayor and Councillors of the Municipality of Northam order as follows:—

Part I.—Interpretation.

1. In this by-law, unless the context otherwise requires—
 - “Council” means the Council of the Municipality of Northam;
 - “illuminated sign” means a sign which is so arranged as to be capable of being lighted from within or from without by artificial light if the light is provided solely or mainly for the purpose of lighting such sign;
 - “pylon sign” means a sign supported on one or more piers or columns but not attached to a building;
 - “sign” includes signboard and clock, but not a clock which is built into a wall and which does not project beyond the face of such wall;
 - “street” includes footway and roadway;
 - “Surveyor” means the Building Surveyor or Acting Building Surveyor of the Municipality of Northam;
 - “verandah” means a verandah projecting over a street and includes a balcony.

Part II.—Signs.

Division 1.—General.

Unauthorised Signs.

2. No person shall erect or maintain and no owner or occupier of premises shall permit to remain on such premises any sign over or near any street without a written license issued by the Council under this by-law, provided that no license shall be required in respect of any sign which is erected or maintained pursuant to any statutory requirement and provided further that the provisions of this by-law shall be read as subject to any such statutory requirement.

Fixing of Signs.

3. Every sign shall, to the satisfaction of the Surveyor, be securely fixed to the structure by which it is supported, and be safely maintained.

Glass in Signs.

4. No glass shall be used in any sign other than an illuminated sign.

Inflammable Material.

5. No paper, cardboard, cloth or other inflammable material shall form part of or be attached to any sign, provided that this clause shall not apply to posters securely fixed to a signboard.

Signs to be Kept Clean.

6. Every sign shall be kept clean and free from unsightly matter.

Illuminated Signs.

7. Every illuminated sign shall comply with the following provisions:—
 - (a) Except for the insulation of electric wires the sign and any boxing or casing enclosing it shall be constructed entirely of non-inflammable material.
 - (b) If glass is used in an illuminated sign it shall be so protected that in the event of breakage (except in the case of fluorescent tubing) no part of such glass can fall on any public place.

- (c) The electrical installation shall be constructed and maintained in accordance with the provisions of the Electricity Act Regulations 1947, and the Standards Association of Australia Wiring Rules.
- (d) The sign shall be maintained to operate as an illuminated sign.
- (e) The light from the sign shall not be sufficiently intense to cause annoyance to the public.
- (f) Except in the case of a roof sign the sign shall be descriptive only of one or more of the following:—
 - (i) The name of one or more of the occupiers of the premises to which the sign is attached.
 - (ii) The business or businesses carried on on such premises.
 - (iii) Things sold on such premises.

Certain Signs Prohibited.

- 8. No sign shall be erected or maintained—
 - (a) so as to obstruct a view from a street or public place of traffic in the same or any other street or public place, or which is likely to be confused with or mistaken for a traffic light or traffic sign;
 - (b) on any ornamental tower, spire, dome or similar architectural decoration, or on any lift machinery room, bulkhead over stairs or other similar superstructure over the main roof of a building, unless with the special approval of the Council.

Division 2.—Particular Signs.

Signs above Verandah Fascias.

- 9. Signs comprising free standing lettering only may be erected above the outer fascia of a verandah parallel to the kerb provided that such lettering shall have a standard height of 15 inches mounted on a three-inch base.

Signs on Verandah Fascias.

- 10. A sign fixed to the outer or return fascia of a verandah—
 - (a) shall be of a maximum depth of two feet;
 - (b) shall not project beyond the outer metal frame or surround of the fascia;
 - (c) in the case of an illuminated sign, shall not be a flashing sign, provided that a changing colour sign shall not be deemed a flashing sign.

Signs under Verandahs.

- 11. A sign under a verandah—
 - (a) shall have a minimum headway of eight feet six inches;
 - (b) shall not exceed eight feet in length, 14 inches in depth and 12 inches in width;
 - (c) shall not exceed 15 pounds in weight per lineal foot;
 - (d) shall not be within three feet from the side wall of the building in front of which it is erected, measured along the front of such building;
 - (e) shall not be within six feet of another sign under the verandah;
 - (f) shall be fixed at right angles to the front wall of the building in front of which it is erected provided that on a corner of a building at a street intersection the sign may be placed at an angle with the wall so as to be visible from both streets;
 - (g) shall bear at its outer end its license number in figures clearly legible from the footway.

Horizontal Signs.

- 12. (1) A horizontal sign—
 - (a) shall have a minimum headway of eight feet six inches;
 - (b) shall be fixed parallel to the wall of the building to which it is attached and with no intervening space between the bottom of the sign and the wall;

(c) shall as to depth conform to the following scale:—

Minimum Distance of Sign above Street.					Maximum Depth of Sign.
					ft. in.
Less than 25 feet	2 0
25 feet to 30 feet	2 6
More than 30 feet	3 0

Provided that the Council may permit an increase of not more than 50 per cent. of the above depths in any part or parts of a sign to permit the inclusion therein of a motif or capital letter;

(d) shall not project more than two feet from the wall to which it is attached;

(e) shall not be within two feet of either end of the wall to which it is attached unless the end of the sign abuts against a brick, stone or cement corbel, pier or pilaster which is at least nine inches wide and projects at least one inch in front of and three inches above and below the sign.

(2) There shall be not more than one line of horizontal signs on each storey of a building facing any one street.

(3) The name of the building, owner or occupier may be placed on the facade of a building provided that—

- (a) only one such name shall be placed on any facade;
- (b) the letters of such name shall not exceed four feet in depth;
- (c) the letters shall be of metal or other non-inflammable material;
- (d) the letters may be lit or illuminated, subject to all such illuminated lettering being specially approved by the Council.

Vertical Signs.

13. A vertical sign—

- (a) shall have a minimum headway of 10 feet;
- (b) shall project not more than three feet from the face of the building to which it is attached, provided that in the case of a sign fixed to the face of a building set back behind the face of the adjoining building, then if the latter building is within 10 feet of the former building the sign may project an additional distance not exceeding two feet or the distance which the adjoining building projects beyond the building to which the sign is fixed whichever is the lesser;
- (c) shall not be within six feet of either end of the wall to which it is attached provided that approval may be granted for such signs to be fixed at a lesser distance when the building is set back from the boundary or abuts on an intersecting street or right-of-way.
- (d) shall not project more than eight feet above the top of the wall to which it is attached, nor more than five feet back from the face of such wall;
- (e) shall be at least twice as high as it is wide;
- (f) shall not be within 12 feet of another vertical sign on the same building;
- (g) on a corner of a building at a street intersection may be placed at an angle with the walls so as to be visible from both streets.

Semaphore Signs.

14. (1) A semaphore sign—

- (a) shall have a minimum headway of eight feet six inches;
- (b) shall be fixed at right angles to the wall to which it is attached;
- (c) shall not project more than three feet from such wall nor be of greater height at any point than three feet six inches;
- (d) shall be fixed over or adjacent to the entrance to a building;
- (e) shall not be fixed over or under a verandah.

(2) Not more than one semaphore sign shall be fixed over or adjacent to any one entrance to a building.

Direction Signs on Street Poles.

15. A direction sign attached to a pole in a street shall not exceed six inches in depth or two feet six inches in length.

Roof Signs.

16. A sign on a roof of a building—
 (a) shall at no part be within 15 feet from the ground;
 (b) shall not extend laterally beyond the external walls of the building;
 (c) shall, as regards height above the ground and height of sign, comply with the following table:—

Height of Main Building above Ground Level at point where Sign is to be Erected.	Maximum Height of Sign.
15 ft. to 20 ft.	6 ft.
20 ft. to 40 ft.	10 ft.
40 ft. to 60 ft.	15 ft.
60 ft. upwards	20 ft.

Pylon Sign.

17. (1) A pylon sign—
 (a) shall have no part thereof less than nine feet or more than 20 feet above the level of the ground immediately thereunder;
 (b) shall not exceed eight feet six inches measured in any direction across the face of the sign, or have a greater superficial area than 43 square feet;
 (c) shall not project more than three feet over any street;
 (d) shall be supported on one or more piers or columns of brick, stone, concrete or steel of sufficient size and strength to support the sign under all conditions;
 (e) shall not as to any part thereof project over any street at a height of less than nine feet.

(2) Where a pylon sign is supported on two or more piers or columns the space between the piers or columns shall not be wholly or partly filled in with any material.

Clocks.

18. A clock—
 (a) if under a verandah shall have its centre coinciding with the centre line of the footway thereunder;
 (b) shall as regards size comply with the following table:—

Height of Bottom of Clock above Footway.	Maximum Diameter of Width of Clock Face and Depth of Clock including Lettering.
9 ft. to 12 ft.	1 6
12 ft. to 20 ft.	2 6
20 ft. to 40 ft.	3 6
40 ft. and over	5 0

- (c) shall be fixed either parallel with or at right angles to the wall to which it is attached;
 (d) shall project from the wall to which it is attached—
 (i) if parallel to the wall, not more than one foot;
 (ii) if at right angles to the wall, not more than six feet;
 (e) shall have a minimum headway of nine feet;
 (f) shall be maintained so as to show the correct time;
 (g) shall be illuminated from sunset to midnight;
 (h) shall not be permitted to strike between midnight and seven o'clock in the morning.

Part III.—Hoardings.

New Hoardings Prohibited.

19. No new hoarding shall hereafter be erected within the Municipality of Northam.

Unauthorised Hoardings.

20. No person shall maintain and no owner or occupier of premises shall permit to remain on such premises any hoarding without a written license issued by the Council under this by-law.

No Increase in Size of Hoarding.

21. No alteration shall be made to a hoarding increasing the length, height or width thereof.

Name of Licensee to be Shown.

22. The name of the licensee shall always be conspicuously shown on the front of a hoarding.

Unsuitability.

23. If any paper, cloth or other material affixed to a hoarding becomes detached, dilapidated or otherwise unsightly it shall be forthwith removed by the licensee.

Objectionableness.

24. Upon written notice so to do the licensee or the occupier of premises on which a hoarding is erected shall forthwith remove from the hoarding or obliterate anything attached to or painted on the hoarding which in the opinion of the Council is objectionable.

Part IV.—Bill-posting, etc.

25. (1) Subject to subclause (2) of this clause no person shall post any bill, or paint, stencil, place or affix any advertisement on any street or on any building, structure, fence, wall, hoarding, sign or post in or abutting on any street.

(2) This clause shall not apply to—

- (a) signs and hoardings for which a license is in force under this by-law;
- (b) advertisements affixed to or painted on a shop window by the occupier thereof and relating to the business carried on there;
- (c) the name and occupation of any occupier of business premises painted on a window of such premises.

Part V.—Licenses.

Objectionable Signs and Hoardings.

26. Notwithstanding that a sign or hoarding would otherwise comply with the provisions of this by-law the Council may refuse a license therefor if such sign or hoarding would be injurious to the amenity or natural beauty of the area.

Licenses to be Subject to By-law.

27. Every license shall be granted and shall subsist only subject to the provisions of this by-law.

Revocation of License.

28. (a) If anything for which a license is issued under this by-law ceases to comply with the provisions of this by-law or if the licensee commits any breach of this by-law the Council may by written notice to the licensee revoke such license.

(b) The Council may revoke any such license at any time without assigning any reason therefor.

(c) Immediately upon the expiration or revocation of such a license the person to whom it was issued shall remove the advertisement to which it relates.

License to be Produced.

29. A licensee shall on demand by an officer of the Council produce his license for inspection.

Unauthorised Alteration to Avoid License.

30. If anything for which a license is issued under this by-law is altered in its size, appearance, construction or fixing without the written permission of the Surveyor such license shall forthwith become void.

Applications for Licenses.

31. (1) An application for a license under this by-law shall be in such one of the forms in the First Schedule to this by-law as may be applicable.

(2) An application for the first issue of a license under this by-law in respect of—

- (a) an illuminated sign;
- (b) a pylon sign;
- (c) a clock;

shall be accompanied by a plan, drawn to a scale of not less than one quarter inch to a foot showing the position, design and method of construction of the thing in question.

(3) An application for the first issue of a license under this by-law in respect of a roof sign shall be accompanied by a certificate from an architect or structural engineer that the building upon which it is proposed to erect the sign is in all respects strong enough to support the sign in all conditions and that the design of the sign is itself structurally sound.

(4) The applicant for a license shall give in writing such further particulars as may be required by the Surveyor.

Fees.

32. (1) The fees prescribed in the Third Schedule hereto shall be paid to the Council on the first issue of a license under this by-law in respect of the things therein mentioned. Provided that if a license therefor was issued under any previous by-law no further fee shall be charged in respect thereof.

(2) The prescribed fee shall be paid to the Council before a license is issued.

Special Permits.

33. (1) Notwithstanding anything contained in this by-law the Council may by written permit under the hand of the Surveyor allow the display of advertisements at theatres and other places of public entertainment or advertisements of meetings or other matters of public importance upon such terms and for such period as the Council shall in each case decide.

(2) The Council may revoke any such license at any time without assigning any reason therefor.

(3) Immediately upon the expiration or revocation of such a license the person to whom it was issued shall remove the advertisement to which it relates.

Part VI.—General.

No Obstruction to Doors, etc.

34. No sign shall be so erected as to obstruct access to or from any door, fire escape or window, other than a window designed for the display of goods.

Penalty.

35. Any person who contravenes any provision of this by-law shall be liable to a penalty not exceeding £20.

License Number.

36. Every advertising device shall bear on its face in figures legible from the nearest road or way the number of the license under which it is erected or displayed.

Municipality of Albany.

By-law No. 22.

L.G. 2314/52.

A By-law of the Municipality of Albany made under Section 180 of the Municipal Corporations Act, 1906, and numbered 22, for Regulating Building.

IN pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Municipality of Albany hereby order as follows:—

By-law No. 22 relating to buildings and published in the *Government Gazette* (No. 65) on 6th July, 1951, and amended in *Government Gazette* (No. 75) of 31st August, 1955, is further amended as follows:—

Add new section:—

Distance from Street Alignments in Residential Districts.

107. (a) No person shall erect or construct in a residential district any building or any addition to any building within the space, if any, between the street boundary of any site and the building line as fixed by the local authority for that particular street or part thereof. Where no building line has been fixed by the local authority the minimum distance between any building and the boundary of the street it faces shall be 25 feet.

(b) Such building line shall, when fixed by the local authority be marked upon a plan or clearly described in a resolution of the local authority and such plan or resolution shall be open for inspection by the public free of charge during the office hours of the local authority.

(c) Alterations may be made by the local authority where levels or depth of the allotment or other exceptional conditions of the site or the nature of the building or position of existing adjoining building make it necessary or expedient to alter the building line in respect of any part of the building or buildings.

THE General By-laws published in the *Government Gazette* of the 13th May, 1958, pages 964-976, both inclusive, are hereby amended by inserting after By-law 83 a new by-law to stand as By-law 83a as follows:—

Foreshore.

83a. No person shall place or deposit craypots or material to be used in the construction of craypots or any other material, equipment or matter used or to be used in connection with cray-fishing on the foreshore of Denison Beach between Stephen Street and Denison Town Site Location 27. Any person offending against this by-law shall be liable on conviction to a penalty not exceeding £20.

A resolution adopting the foregoing by-law was passed by the Board on the 12th November, 1958.

A. J. GILLAM,
Chairman.
J. PICKERING,
Secretary.

Recommended—

(Sgd.) L. A. LOGAN,
Minister for Local Government.

Approved by His Excellency the Governor in Executive Council this 3rd day of September, 1959.

(Sgd.) R. H. DOIG,
Clerk of the Council.

SOIL CONSERVATION ACT, 1945-1955.

Department of Agriculture,
Perth, 21st August, 1959.

HIS Excellency the Governor in Executive Council, acting pursuant to the provisions of the Soil Conservation Act, 1945-1955, has been pleased to make the regulations set out in the Schedule hereunder.

G. K. BARON HAY,
Director of Agriculture.

Schedule.

Regulations.

1. (1) These regulations may be cited as the Soil Conservation Advisory Committee (Remuneration of Members) Regulations.

(2) The regulations made under the provisions of the Soil Conservation Act, 1945, prescribing allowances and fees payable to members of the Committee and published in the *Government Gazette* on the 13th April, 1951, are revoked.

Fees.

2. A sitting fee of £3 3s. per day or part of a day is payable to a member, other than one who is an officer within the meaning of the Public Service Act, 1904, for his attendance at meetings of the Committee.

3. A fee of £3 3s. per day is payable to a member for each day in excess of one day used by the member in travelling on business of the Committee.

Allowances.

4. Travelling allowances are payable to members, when on approved committee business, in accordance with the scale and conditions applicable from time to time to officers classified in Group I of the State Public Service.

5. In addition to the travelling allowance referred to in Regulation 3 of these regulations, a member is entitled to reimbursement of the actual cost of travelling from his place of residence to the place at which a meeting of the Committee is held.

6. Where a member uses a motor vehicle whilst engaged on approved committee business or in travelling from his place of residence to the place at which a meeting of the Committee is held he is entitled to receive car mileage allowances in accordance with the rates and under the conditions applicable from time to time to officers of the State Public Service and, where an allowance is claimed under this regulation in respect of a journey, the provisions of Regulation 5 of these regulations shall not apply in respect of that journey.
