Agricultural Produce (Pork Production Industry) Regulations 2004

Made by the Governor in Executive Council.

1. Citation

These regulations are the *Agricultural Produce (Pork Production Industry) Regulations 2004*.

2. Commencement

These regulations come into operation on the day on which the *Pig, Potato and Poultry Industries (Compensation Legislation) Repeal Act 2004* comes into operation.

3. Terms used in these regulations

In these regulations, unless the contrary intention appears —

“**abattoir**” means any premises or place used for, or in connection with, the slaughtering of pigs;

“**charge**” means a charge imposed on pork producers under section 14 of the Act;

“**owner**” means a person who owns an abattoir;

“**pig**” means a boar, sow, barrow or gilt;

“**pork producer**” means a person whose business is or includes the growing of pigs for the purpose of sale for slaughter and processing;

“**section 14 notice**” means notice of a charge.

4. Collection of charges

- (1) An owner must collect from a pork producer who sells pigs to the owner for slaughter the charge payable by that pork producer.
Penalty: \$2 000.
- (2) The charge may be collected by deducting the amount of the charge from the amount payable to the pork producer in respect of a sale referred to in subregulation (1).
- (3) An owner who collects a charge must pay the amount of the charge to the Commission within 14 days after the end of the month during which the charge was collected or within any longer period the Commission allows.
Penalty: \$2 000.

5. Information to be furnished by owners

- (1) An owner must, not later than 14 days after the end of each month during which the owner has purchased pigs for slaughter, furnish to the Commission a return in the form approved by the Commission showing all of those purchases.

Penalty: \$2 000.

- (2) An owner referred to in subregulation (1), if requested to do so by the Commission, must furnish to the Commission the names of the pork producers with whom the owner dealt, and the quantity of pigs sold by each of those producers, during the period to which the return relates.

Penalty: \$2 000.

6. Prescribed statistical information

- (1) In subregulation (2) —

“**specified**” means specified by the Commission in a notice served on a pork producer.

- (2) For the purposes of section 13 of the Act the following information is prescribed statistical information —

- (a) the quantity of pigs grown for sale by a pork producer in a specified period;
- (b) the abattoirs at which pigs grown by a pork producer were slaughtered in a specified period.

7. Publication of section 14 notices

The Commission must cause each section 14 notice to be published in a newspaper circulating generally in the State.

By Command of the Governor,

M. C. WAUCHOPE, Clerk of the Executive Council.

ENERGY

EN301*

Electricity Industry Act 2004

**Electricity Industry (Licence Conditions)
Regulations 2005**

Made by the Governor in Executive Council.

1. Citation

These regulations are the *Electricity Industry (Licence Conditions) Regulations 2005*.

2. Commencement

These regulations come into operation on the day on which they are published in the *Gazette*.

3. Terms used in these regulations

In these regulations, unless the contrary intention appears —

“approved contract” means a contract approved under regulation 8(2);

“eligible customer” means —

- (a) a customer —
 - (i) to whom electricity is supplied for residential purposes; and
 - (ii) who consumes not more than 50 MWh of electricity per annum;
- (b) a customer that is a school, university or other educational institution; or
- (c) a customer that is a non-profit making organisation;

“renewable source electricity”, in relation to an eligible customer, means electricity generated by a small renewable energy system located on premises owned or occupied by the eligible customer;

“small renewable energy system” means —

- (a) a system of photovoltaic arrays;
- (b) a system of wind turbines;
- (c) a hydro power system; or
- (d) another system for the generation of electricity from a renewable energy source,

that has a generating capacity exceeding 500 W but not exceeding 5 kW.

4. References to licence held by a relevant corporation

A reference in these regulations to a transmission licence, a distribution licence, a retail licence or an integrated regional licence held by a relevant corporation includes a reference to a licence of that kind that the corporation is deemed to hold under section 46 of the Act.

5. Condition requiring compliance with the *Electricity Industry Customer Transfer Code 2004*

- (1) This regulation applies to —
 - (a) a transmission licence, a distribution licence or an integrated regional licence held by a relevant corporation; and
 - (b) a retail licence or an integrated regional licence that authorises the sale of electricity transported through a transmission system or distribution system operated by a relevant corporation.
- (2) It is a condition of every licence to which this regulation applies that the transfer of customers must be undertaken in accordance with the procedures and arrangements set out in the *Electricity Industry Customer Transfer Code 2004*.

6. Condition requiring relevant corporation to offer to purchase electricity generated through small renewable energy systems

It is a condition of every retail licence and integrated regional licence held by a relevant corporation that, on and after 1 May 2005, the corporation must offer to purchase renewable source electricity, under an approved contract, from an eligible customer who wishes to sell such electricity to the corporation.

7. Condition requiring relevant corporation to report on cost of purchasing renewable source electricity

It is a condition of every retail licence and integrated regional licence held by a relevant corporation that the corporation must, as soon as practicable after the end of each financial year, submit a written report to the Coordinator setting out the costs incurred by the corporation during that year in purchasing renewable source electricity under approved contracts.

8. Approval of contract

- (1) It is a condition of every retail licence and integrated regional licence held by a relevant corporation that the corporation must, before 1 March 2005 or such later day as the Coordinator may allow, submit to the Coordinator a draft of the contract under which the corporation proposes to purchase renewable source electricity from eligible customers.
- (2) The Coordinator may —
 - (a) approve a contract submitted under subregulation (1); or
 - (b) request that it be amended and approve it in an amended form.

- (3) The Coordinator must not give an approval unless the Coordinator considers that the contract will provide for the purchase of renewable source electricity on fair and reasonable terms and conditions.
- (4) A relevant corporation may submit to the Coordinator for approval —
 - (a) an amendment to the approved contract; or
 - (b) a replacement for the approved contract.
- (5) If, in the opinion of the Coordinator, the approved contract no longer provides for the purchase of renewable source electricity on fair and reasonable terms and conditions, the Coordinator may direct the relevant corporation concerned —
 - (a) to submit an appropriate amendment to the contract to the Coordinator for approval; and
 - (b) to do so within a period specified by the Coordinator.
- (6) In subregulation (5) —

“appropriate amendment” means an amendment —

 - (a) specified by the Coordinator; or
 - (b) otherwise determined by the Coordinator to be suitable for approval.
- (7) Subregulations (2) and (3) apply to an amendment or replacement submitted under subregulation (4) or (5) in the same way as they apply to the contract or the original contract, as the case requires.
- (8) It is a condition of every retail licence and integrated regional licence held by a relevant corporation that the corporation must comply with a direction given to the corporation under subregulation (5).

By Command of the Governor,

ROD SPENCER, Clerk of the Executive Council.

- (c) an application for approval to transfer a licence, referred to in section 18(3) of the Act, is \$500;
- (d) an application for the amendment of a licence, referred to in section 21(2) of the Act, is \$500.

4. Generation licence fees

- (1) The licence fee referred to in section 17(1) of the Act for a generation licence is, if the installed capacity is —
 - (a) less than 5 MW, \$500;
 - (b) not less than 5 MW but less than 50 MW, \$2 000;
 - (c) not less than 50 MW but less than 100 MW, \$3 500;
 - (d) not less than 100 MW but less than 1 000 MW, \$5 000;
 - (e) not less than 1 000 MW, \$7 500.
- (2) In subregulation (1) —

“**installed capacity**” means the amount that the Authority determines to be, at the time the fee is paid, the total

generation capacity, in megawatts, of all generating works to which the licence relates including, for generating works that the licence authorises to be constructed during the current year but are not at the time the fee is paid operating at the maximum generation capacity on the basis of which the licence applies, that maximum generating capacity.

5. Transmission licence fees

- (1) The licence fee referred to in section 17(1) of the Act for a transmission licence is, if the transmission system length is —
 - (a) less than 1 km, \$500;
 - (b) not less than 1 km but less than 10 km, \$3 750;
 - (c) not less than 10 km but less than 100 km, \$7 500;
 - (d) not less than 100 km but less than 1 000 km, \$15 000;
 - (e) not less than 1 000 km, \$20 000.

- (2) In subregulation (1) —

“transmission system length” means the amount that the Authority determines to be, at the time the fee is paid, the total length, in kilometres, of all transmission systems to which the licence relates including, for any transmission system or part of a transmission system that the licence authorises to be constructed during the current year but is not constructed at the time the fee is paid, the total length of the transmission system authorised to be constructed.

6. Distribution licence fees

- (1) The licence fee referred to in section 17(1) of the Act for a distribution licence is, if the distribution system length is —
 - (a) less than 1 km, \$500;
 - (b) not less than 1 km but less than 10 km, \$5 000;
 - (c) not less than 10 km but less than 100 km, \$10 000;
 - (d) not less than 100 km but less than 1 000 km, \$20 000;
 - (e) not less than 1 000 km, \$25 000.

- (2) In subregulation (1) —

“distribution system length” means the amount that the Authority determines to be, at the time the fee is paid, the total length, in kilometres, of all distribution systems to which the licence relates including, for any distribution system or part of a distribution system that the licence authorises to be constructed during the current year but is not constructed at the time the fee is paid, the total length of the distribution system authorised to be constructed.

7. Retail licence fees

- (1) The licence fee referred to in section 17(1) of the Act for a retail licence is, if the number of customers is —
 - (a) less than 100, \$1 000;

- (b) not less than 100 but less than 1 000, \$7 500;
- (c) not less than 1 000 but less than 5 000, \$12 500;
- (d) not less than 5 000 but less than 25 000, \$20 000;
- (e) not less than 25 000, \$35 000.

(2) In subregulation (1) —

“number of customers” means the amount that the Authority determines to be, at the time the fee is paid, the total number of customers to whom electricity is to be, or is likely to be, sold under the licence during the current licence year.

8. Integrated regional licence fees

(1) The licence fee referred to in section 17(1) of the Act for an integrated regional licence that —

- (a) authorises the licensee to carry out either generation activities, transmission activities, distribution activities, or retail activities (each of which is called a **“specific kind of activities”** in this regulation) but not more than one of those specific kinds of activities, is the licence fee that would be payable under regulation 4, 5, 6, or 7, as the case requires, for a licence authorising the same activities as the integrated regional licence authorises;
- (b) authorises the licensee to carry out 2 or more specific kind of activities, is the total of the licence fees that would be payable under regulation 4, 5, 6, and 7, as the case requires, for licences authorising the same activities as the integrated regional licence authorises.

(2) In subregulation (1) —

“distribution activities” means activities of a kind that may be authorised by a distribution licence;

“generation activities” means activities of a kind that may be authorised by a generation licence;

“retail activities” means activities of a kind that may be authorised by a retail licence;

“transmission activities” means activities of a kind that may be authorised by a transmission licence.

9. Authority’s determinations

A determination that the Authority makes under these regulations is to be made, as soon as practicable after the current licence year commences, on the basis of information that the licensee supplies to the Authority either in a licence application or otherwise.

10. Review

(1) The Authority is to carry out a review of the Authority’s costs of administering the licensing scheme under Part 2 of the Act

and the extent to which the fees under that Part paid to the Authority suffice to meet those costs.

- (2) The Authority is to carry out the review, and provide to the Minister a written report based on the review, within the period of a year ending on the third anniversary of the day on which these regulations come into operation.

By Command of the Governor,

ROD SPENCER, Clerk of the Executive Council.

OCCUPATIONAL SAFETY AND HEALTH ACT 1984
OCCUPATIONAL SAFETY AND HEALTH REGULATIONS 1996
EXEMPTION CERTIFICATE PURSUANT TO REGULATION 2.13
(No. 50 of 2004)

I, Wendy Joy Clarkson, Director Reviews and Legal Services, WorkSafe Division, Department of Consumer and Employment Protection, having been delegated the WorkSafe Western Australia

Commissioner's power in regulation 2.13, hereby grant an exemption to Katrina Vernon Lavers and Jonathan Paul Burt T/A Skadada (hereafter referred to as Skadada) from the requirements of the following regulations of the Occupational Safety and Health Regulations 1996—

- Regulation 4.53(2)(a) through to Regulation 4.53(2)(e), inclusive; and
- Regulation 4.54(4)(c) insofar as it relates to the requirements of Section 6.18 of AS 2550.1—2002

insofar as the above require a person/s suspended from a crane to be accommodated in a workbox, and the requirements therefore in relation to the use of two cranes for single and multi-crane hoisting to suspend aerial performers during a performance on 31 December 2004 at the corner of Lake Street and Roe Street, Northbridge for the New Year's Eve Northbridge Celebrations.

I further grant an exemption from Regulation 4.54(7)(b) in relation to the trapeze act and the use of two cranes for multi-crane hoisting to suspend five persons between the cranes during the abovementioned performance.

I also grant an exemption from the requirements of Regulation 4.54(3) in relation to the use of the two cranes in the abovementioned performance.

The following conditions shall apply with respect to use of the cranes—

- notwithstanding that Section 6.18.2 of Australian Standard AS2550.1 refers to use of a workbox, from which requirement Skadada is exempted, the requirements for the cranes listed in clauses (a) to (h) of Section 6.18.2 shall still apply;
- the crane operators shall remain at the controls of the crane at all times during the performance;
- the only crane motion permitted whilst a person is suspended from the crane hooks is hoist up or down at slow speed;
- a means of lowering the persons in the event of an emergency or failure of the power supply to the cranes is provided;
- a certificated dogger or rigger oversees the attachment of the lifting gear to the crane hooks; and
- with regard to the trapeze act involving five performers, the rated capacities of the two cranes are not exceeded with dual crane lift restrictions.

This exemption is valid on 31 December 2004 only.

Dated this 31st day of December 2004.

WENDY CLARKSON, Director Reviews
and Legal Services.
