The following applies to the list below—

- It is an offence to liberate or attempt to liberate declared animals or to fail to prevent them being at large.
- Conditions for introduction and keeping of declared animals are specified in the Declared Animals regulations or by Board decision and documentation is available showing requirements for each species.
- Of the species not subject to declaration that are exempt, some (marked #) occur in a commensal or feral state and advice may be obtained from the Agriculture Protection Board on control or management of problems which they may occasionally cause.

METROPOLITAN REGION TOWN PLANNING SCHEME ACT 1959*City of Swan***DECLARATION OF PLANNING CONTROL AREA NO. 84**Lloyd Street Extension—Great Eastern Highway to
Great Eastern Highway Bypass

File: 835/2/21/14

General Description

The Hon Minister for Planning and Infrastructure has granted approval to the declaration of a Planning Control Area over the Lloyd Street Extension—Great Eastern Highway to Great Eastern Highway Bypass as shown on Western Australian Planning Commission (WAPC) Plans numbered 1.5512 and 1.5513.

Purpose of The Planning Control Area

The purpose of the Planning Control Area is to ensure protection for the future construction of the proposed Lloyd Street southern extension. The WAPC considers that the Planning Control Area is required to ensure that no development occurs on this land, which might prejudice this purpose until it may be reserved for Other Regional Roads in the Metropolitan Region Scheme.

Duration and Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000 and, in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
