PLANNING AND DEVELOPMENT ACT 2005
METROPOLITAN REGION SCHEME AMENDMENT 1132/57
NORTH WEST DISTRICTS OMNIBUS 7

Call for Public Submissions

The Western Australian Planning Commission (WAPC) intends to amend the Metropolitan Region Scheme (MRS) for land in the local government of Wanneroo and is seeking public comment.

The planning objective of the amendment is to rationalise the zones and reservations of the MRS in the Butler and Ridgewood localities, to correspond with the Butler-Jindalee District Structure Plan, and to facilitate the re-alignment of the passenger railway line north from the proposed Butler station.

The Western Australian Planning Commission certifies that, in its opinion, the proposed amendment does not constitute a substantial alteration to the Metropolitan Region Scheme.

Section 126(3) of the *Planning and Development Act 2005* allows for the 'parallel' amendment of a local planning scheme when land is transferred to the urban zone in the region scheme. The City of Wanneroo has requested approval to include the land affected by the region scheme amendments in the development zone of the local planning scheme.

If the region scheme amendment is approved, the WAPC may also transfer the land to the development zone in the local planning scheme. This will enable detailed structure planning to commence under the local planning scheme process, which includes the opportunity for further public consultation.

The plans showing the proposed change and the WAPC amendment report, which explains the proposals, will be available for public inspection from Tuesday 29 May 2007 to Friday 3 August 2007 at each of the following places—

- Western Australian Planning Commission, 469 Wellington Street, Perth
- J S Battye Library, Level 3 Alexander Library Building, Perth Cultural Centre
- Municipal offices of the cities of Wanneroo and Joondalup

WANTED!!!

Old copies of the *Government Gazette*

State Law Publisher is in the process of scanning all *Government Gazettes* (back to the first one ever published in the 1840's) with the intention of adding the archived copies to our existing on-line service.

We are looking for **donations** of any copies (pre 1994) that are no longer required by clients and would be appreciative of any assistance you can offer in this undertaking.

The scanning process requires single pages, therefore we need to trim the spine off each gazette, which unfortunately ruins the gazettes for future use.

Our preference is for unwanted copies, however, if a client requires their gazettes returned, State Law Publisher will reprint and replace individual editions. If a bound copy is supplied and is to be returned we will reprint all gazettes and arrange to have them rebound for the client.

The benefits of having all the gazettes and indices on-line and searchable will be enormous. This service should remove the need for clients to retain hard copies and will free up valuable storage space.

Barring any unforeseen delays, it should take around a month to scan each year and then release on our website.

Please contact John Thompson on 9426 0010 if you can assist by supplying editions of the *Government Gazette*. For large quantities we will arrange for them to be collected.
