## Aforeword

This first edition of the Western Australian Government Directory is intended to help provide ready access to the State's Public Sector Agencies.

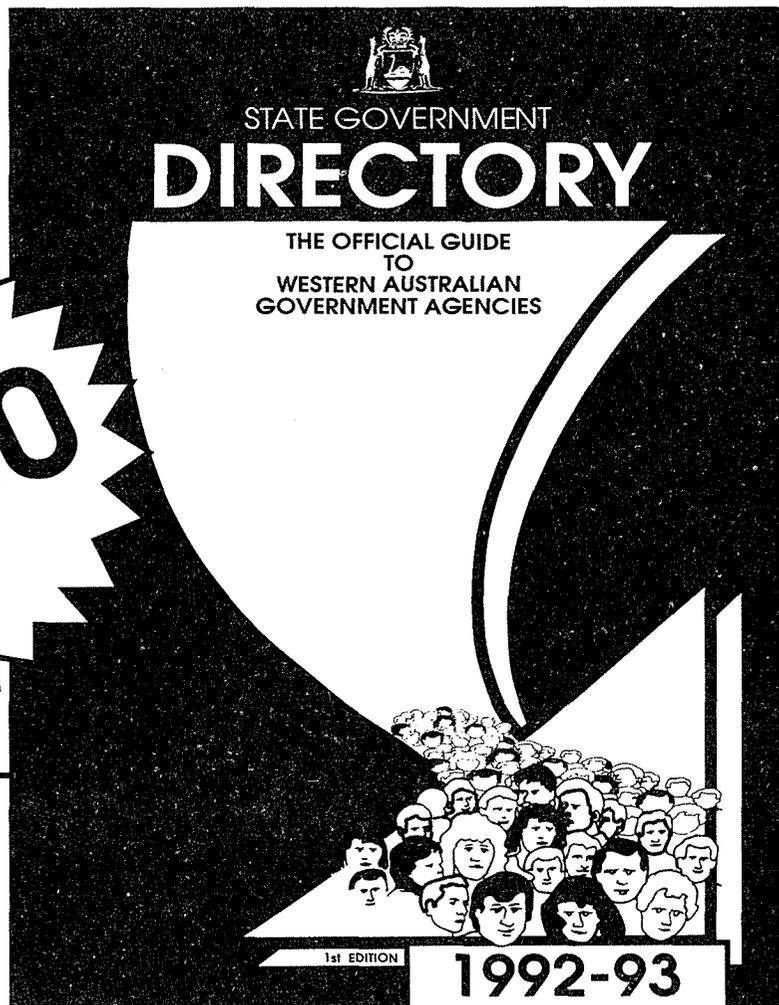

Government offers an enormous range of services to people in our community which enhances their lives.

Departments and agencies do not operate behind closed doors. These organisations are making every effort to be increasingly responsive to the needs of customers and citizens.

This publication consolidates valuable information about agencies of the Western Australian Government. Simple contact details are accompanied by concise descriptions of the role of agencies and the legislation they administer. Future editions will be improved and expanded taking into account the needs of users.

This directory will have many uses and individuals and organisations should find this volume most helpful.
