## ***WANTED!!!***

### **Old copies of the *Government Gazette***

State Law Publisher is in the process of scanning all *Government Gazettes* (back to the first one ever published in the 1840's) with the intention of adding the archived copies to our existing on-line service.

We are looking for **donations** of any copies (**pre 1970**) that are no longer required by clients and would be appreciative of any assistance you can offer in this undertaking.

The scanning process requires single pages, therefore we need to trim the spine off each gazette, which unfortunately ruins the gazettes for future use.

Our preference is for unwanted copies, however, if a client requires their gazettes returned, State Law Publisher will reprint and replace individual editions. If a bound copy is supplied and is to be returned we will reprint all gazettes and arrange to have them rebound for the client.

The benefits of having all the gazettes and indices on-line and searchable will be enormous. This service should remove the need for clients to retain hard copies and will free up valuable storage space.

Barring any unforeseen delays, it should take around a month to scan each year and then release on our website.

---

Please contact John Thompson on 9426 0010 if you can assist by supplying editions of the *Government Gazette*. For large quantities we will arrange for them to be collected.
