### LOCAL GOVERNMENT ACT 1995

*Shire of Jerramungup*

#### DUST AND SAND LOCAL LAW 2011

Under the powers conferred by the *Local Government Act 1995* and under all other powers enabling it, the Council of the Shire of Jerramungup resolved on 16 November 2011 to make the following local law.

### PART 1—PRELIMINARY

#### 1.1 Citation

This Local Law may be cited as the *Shire of Jerramungup Dust and Sand Local Law 2011*.

#### 1.2 Commencement

This local law comes into operation 14 days after the date of its publication in the *Government Gazette*.

#### 1.3 Purpose and effect

(1) The purpose of this local law is to provide for the regulation, control and management of sand and dust on land within the district so as to protect the amenity of the area.

(2) The effect of this local law is to establish requirements for the management and control of sand and dust on land within the district.

#### 1.4 Application

This local law applies throughout the district.

#### 1.5 Interpretation

(1) In this local law, unless the context otherwise requires—

*Act* means the *Local Government Act 1995*;

*AQMP* means an air quality management plan, being a written strategy for minimising the negative impact of dust and smoke upon local air quality, incorporating the principles within the latest version of the publication 'Land Development Sites and Impacts on Air Quality—A guideline for the prevention of dust and smoke pollution from land development sites in Western Australia', published by the Western Australian Department of Environmental Protection;

*AS* means an Australian Standard published by Standards Australia;

*authorised person* means a person appointed by the Council, pursuant to the provisions of Section 9.10(1) of the Act to perform all or any of the functions of an authorised person under this local law;

*builder* means

- (a) any person who holds, or will hold, a building licence issued in respect of building works on a building site, or
- (b) any person who has, or will have, effective control of a building site;

*building code* means the latest edition of the Building Code of Australia published from time to time by, or on behalf of, the Australian Building Codes Board, as amended from time to time, but not including explanatory information published with the Code;

*building site* means any lot of land for which a building licence is current, but does not include a lot upon which there exists a commercial, industrial or residential building and—

- (a) the current building licence is issued in respect only of a pergola, patio, shed or other Class 10 building as classified by the Building Code; and
- (b) means of collection and removal of rubbish, satisfactory to the Council but other than that specified within these local laws, is in place;

*bush* has the same meaning as is given to it in the *Bush Fires Act 1954*;

*CEO* means the Chief Executive Officer or an acting Chief Executive Officer of the local government;

*construction work* means any work involving the placement, fitting together, manufacture or erection of the components of a building, and includes pouring of footings and slabs and placement of stumps or other floor supports;

*Council* means the Council of the local government;

**development site** means any lot of land upon which there is currently a development or subdivision approval, and any lot upon which construction work, earthworks, clearing of scrub, trees or overgrowth or any other site works are taking or have taken place;

**district** means the district of the local government and includes any area placed under the jurisdiction of the local government pursuant to any written law;

**dust and sand** means granules or particles of rock, earth, clay, loam, silt and any other granular, or airborne particulate or like material, and includes gravel;

**erosion management plan** means a written strategy for minimising the likelihood of carriage by water or sand off any lot of land, incorporating the principles within the latest version of the publication '*Erosion and Sediment Control Manual for the Darling Range, Perth, Western Australia*', published by the Upper Canning/Southern Wungong Catchment Team;

**General Regulations** means the *Local Government (Functions and General) Regulations 1996*;

**land** includes any building or structures on the land;

**local government** means the Shire of Jerramungup;

**nuisance** means—

- (a) an activity or condition which is harmful or annoying and which gives rise to legal liability in the tort of public or private nuisance at law;
- (b) an unreasonable interference with the use and enjoyment of a person of his or her ownership or occupation of land; or
- (c) interference which causes material damage to land or other property on the land affected by the interference;

**occupier** means any person who, at the time the notice is served, is in control of any place or part of any place or authorised by the owner, lessee, licensee or any other person empowered to exercise control in relation to a place to perform any work in relation to any place and includes a builder or contractor;

**person** includes persons, businesses, companies, firms, corporations and other commercial entities; and

**Street** means any highway or thoroughfare which the public are entitled to use, and includes the verge and other things including bridges and culverts appurtenant to it;

(2) Any other expression used in this local law and not defined shall have the meaning given to it in the Act.

(3) Where, under this local law a duty, obligation or liability is imposed on an 'owner or occupier' the duty shall be deemed to be imposed jointly and severally on each of the owner and occupier.

(4) Where, under this local law, an act is required to be done or forbidden to be done in relation to any land, the owner or occupier of the land has the duty of causing to be done the act so required to be done, or preventing from being done the act forbidden to be done.

(5) Where under this local law the local government is empowered to carry out actions or cause to be undertaken works as a consequence of the failure of any person to comply with the terms of a notice or other conduct, the right to enter land is at all times subject to the provisions of Part 3, Division 3 of the Act.

## PART 2—SAND DRIFT AND DUST

### 2.1 Air quality management plans

(1) When on any land, any earthworks, clearing of scrub, trees or overgrowth or any other site works likely to generate dust are intended, the owner or occupier shall submit to the local government for its approval an AQMP.

(2) The AQMP shall be accompanied by a face sheet in the form of Schedule 1 and shall include information on the following areas—

- (a) introduction (program scope and objectives);
- (b) background (contextual information);
- (c) proposed work and potential impacts;
- (d) controls, triggers and contingencies; and
- (e) monitoring program and design.

(3) When deemed appropriate by the local government, a bond, to fund the cost of rectification, shall be lodged prior to approval of an AQMP.

(4) The local government may—

- (a) approve the AQMP;
- (b) approve the AQMP subject to such conditions as it considers appropriate; or

- (c) if it appears that the Plan is not adequate to effectively manage air quality issues and cannot easily be made to do so, or the detail required by Schedule 1 is not provided, refuse to approve the AQMP.

(5) An owner or occupier shall not commence any earthworks, clearing of scrub, trees or overgrowth or any other site works likely to generate dust or sand without the local government having approved an AQMP.

(6) An owner or occupier who undertakes any earthworks, clearing of scrub, trees or overgrowth or any other site works when the local government has approved an AQMP shall comply with the provisions of that Plan and any conditions imposed.

## **2.2 Prevention of erosion and the escape of sand and dust**

An owner or occupier of any land shall take all practicable measures to ensure that—

- (a) no sand or dust is carried by water—
- (i) off the particular lot or lots of land; or
  - (ii) directly or indirectly into any creek, stream, river or any other natural water course; and
- (b) no sand or dust is released from or escapes from the particular lot or lots, whether by means of wind or any other cause.

## **2.3 Notice may require specified action to prevent erosion and the escape of dust or sand**

(1) Where it appears to an authorised person that sand or dust is escaping, being released or being carried, or is likely to escape, be released or be carried, from any land, the authorised person may, by notice in writing, direct the owner or occupier to, within a time specified in the notice—

- (a) submit to the local government for its approval an Air Quality and/or Erosion Management Plan; or
- (b) take such other actions as the authorised person considers necessary to prevent or minimise the escape, release or carriage of sand or dust from the land.

(2) The Air Quality and/or Erosion Management Plans to which reference is made in subclause (1)(a) shall be accompanied by a face sheet in the form of Schedule 1.

(3) The local government may—

- (a) approve the Air Quality and/or Erosion Management Plan;
- (b) approve the Air Quality and/or Erosion Management Plan subject to such conditions as it considers appropriate; or,
- (c) if it appears that the Plan is not adequate to effectively manage air quality or erosion issues, whichever may be the case, and cannot easily be made to do so, or the detail required by Schedule 1 is not provided, refuse to approve the Air Quality and/or Erosion Management Plan.

(4) A person who has been required to submit to the local government an Air Quality and/or Erosion Management Plan pursuant to sub clause (1)(a) shall not continue or commence any works on the land without the local government having approved the Air Quality and/or Erosion Management Plan.

## **2.4 Sand or dust which has escaped to be cleaned up**

When any sand and dust has been released, escaped or been carried from any land onto or through another person's land, an authorised person may, by notice in writing, direct the owner or occupier of the land from which the sand or dust has been released, escaped or been carried, within a time specified in the notice, clean up the sand and dust and make good any damage resulting from that release or escape.

# **PART 3—MISCELLANEOUS PROVISIONS**

## **3.1 Notices**

(1) Where a notice, other than an infringement notice, is given under this local law, the notice must be in writing and set out—

- (a) details of the offence committed;
- (b) measures required to be taken;
- (c) conditions which must be followed; and
- (d) any deadline for compliance.

(2) Where an authorised person serves a notice based on an opinion held by that person, the notice must also be accompanied by a written memorandum that—

- (a) is signed by the authorised person;
- (b) sets out the opinion reached by the authorised person; and
- (c) includes the reasons for why the opinion is held.

(3) Where an authorised person serves a notice based on an opinion or decision of the Council, the notice should also be accompanied by an extract of the minutes of the Council meeting at which the opinion or decision was formed.

(4) An extract provided under subclause (3) must show a sufficient record of the forming of the opinion or decision on which the notice is based.

(5) An extract provided under subclause (3) must be certified as a true and accurate copy by—

- (a) the CEO; or
- (b) another officer of the local government who has been delegated or authorised to do so.

#### PART 4—OBJECTIONS AND REVIEW

##### 4.1 Objections and review

When the Council makes a decision under this local law and/or gives a person notice, the provisions of Division 1 of Part 9 of the Act and regulation 33 of the General Regulations shall apply.

#### PART 5—OFFENCES AND PENALTIES

##### 5.1 Offences

(1) Any person who fails to comply with a notice, or fails to do anything required or directed to be done under this local law, or who does anything which under this local law that person is prohibited from doing, commits an offence.

(2) Any person who commits an offence under this local law is liable, upon conviction, to a penalty not exceeding \$5,000 and if the offence is of a continuing nature, to an additional penalty not exceeding \$500 for each day or part of a day during which the offence had continued.

##### 5.2 Prescribed offences

(1) An offence against a clause specified in Schedule 2 is a prescribed offence for the purposes of section 9.16(1) of the Act.

(2) The amount of the modified penalty for a prescribed offence is that specified adjacent to the clause in Schedule 2.

(b) a permit is cancelled; or

(c) the entitlement of a permit is reduced under s. 76 of the Act,

and the total number of class A units for the Fishery is consequently reduced then the unit value for a class A unit for the remainder of the relevant permit period is to be redetermined in accordance with the formula specified in subclause (1) of Schedule 4.

(6) The sum of the entitlements to fish for champagne crabs and giant crabs combined that may be conferred by all the permits is to be equal to the capacity for the Fishery as determined in accordance with clause 18.

(7) The extent of the entitlement to fish in the Fishery that arises from a class B unit (the unit value) shall be determined in accordance with subclauses (8) and (9) and is limited by reference to a number of kilograms (whole weight) of champagne crabs and giant crabs.

(8) Subject to subclause (9) the unit value of a class B unit is 20 kilograms.

(9) If at anytime the capacity of the Fishery is amended in accordance with clause 18, the unit value of a class B unit shall be amended in accordance with the formula specified in subclause (2) of Schedule 4.

(10) Where—

(a) a permit is not renewed within the period specified in section 139 of the Act; or

(b) a permit is cancelled; or

(c) the entitlement of a permit is reduced under s. 76 of the Act,

and the total number of class B units for the Fishery is consequently reduced then the unit value for a class B unit for the remainder of the relevant permit period is to be redetermined in accordance with the formula specified in subclause (2) of Schedule 4.

(11) The holder of a permit or a person acting on that person's behalf must not fish in the Fishery at any time when the amount of crystal crab taken from the Fishery under the authority of a permit during the period for which the permit has been granted or renewed is equal to or greater than the value of the current entitlement to take crystal crabs conferred by that permit.

(12) The holder of a permit or person acting on that person's behalf must not fish in the Fishery at any time when the amount of champagne and giant crab combined taken from the Fishery under the authority of a permit during the period for which that permit has been granted or renewed is equal to or greater than the value of the current entitlement to take champagne and giant crabs conferred by that permit.

**BUSH FIRES ACT 1954***Shire of Merredin*

## FIRE CONTROL ORDER 2011/2012

In this Fire Control Order unless the contrary intention appears—

“Rural Land” means all land not located within the boundaries of a townsite as shown on the Shire of Merredin Local Planning Scheme No. 6 Scheme Map;

“Townsite Land” means all land located within the boundaries of a townsite as shown on the Shire of Merredin Local Planning Scheme No. 6 Scheme Map;

“Firebreak” means ground from which all flammable material has been removed to a height of 4 metres and on which no flammable material is permitted;

“Flammable materials” means material that can be easily ignited, i.e.—dead or dry grass, leaves, timber, paper, plastic and other material or thing deemed by an authorized officer to be capable of combustion but does not include green growing trees or green growing plants in gardens;

“Occupier of land” means a person or persons as defined in Section 7 of the *Bush Fires Act 1954*.

As a measure for preventing the outbreak of bush fires, or preventing the spread or extension of a bush fire which may occur, all owners and occupiers of land within the district of the Shire of Merredin are required before the 1st day of November in each year, or within 14 days of becoming the owner or occupier of land if after that date, to clear firebreaks or take measures in accordance with this notice and maintain those firebreaks and measures in accordance with this notice up to and including the 15th day of March in the following year.

**1. Townsite Land with a building on it. Duties of Owner or Occupier**

- Where the area of land is 2,000 square metres or less the land shall be cleared of all flammable materials;
- Where the area of land exceeds 2,000 square metres, install a 3 metre wide firebreak immediately inside the external boundaries of the land.
- Maintain all grass on the land to a height no greater than 5cm (50mm)
- Prune trees and shrubs and remove dead flammable material within 6 metres of all buildings on the land.
- Ensure the roofs, gutters and walls of all buildings on the land are free of flammable matter.

**2. Vacant Townsite Land—Duties of Owner or Occupier**

- Where the area of land is 2,000 metres square or less maintain all grass and flammable matter on the land to a height no greater than 5cm (50mm);
- Where the land exceeds 2,000 metres square install a 3 metre wide firebreak immediately inside all external boundaries of the land by removing all flammable matter within that 3 metre wide fire break to a height of 4 metres.

### 3. Rural Land—Duties of Owner or Occupier

- Install firebreaks to a width of 3 metres immediately inside and along all external boundaries of the land.
- Install firebreaks to a width of 20 metres around all buildings, hay sheds and fuel storage areas on the land.
- Where the land is greater than 400 hectares in area, install sufficient internal 3 metre wide firebreaks so as to divide the land into areas of 400 hectares or less which are bounded by a 3 metre wide firebreak.

### 4. Fuel Dumps and Depots—Duties of Owner or Occupier

Remove all inflammable matter within 10 metres of where fuel drums, fuel ramps or fuel dumps are located and where fuel drums, whether containing fuel or not, are stored.

### 5. Application to vary the above requirements.

If it is considered impracticable for any reason whatsoever to clear firebreaks or establish other arrangements as required by this notice, you may apply in writing to the Shire of Merredin not later than the 15th day of October each year for permission to provide firebreaks in alternative positions on the land. If permission is not granted in writing by the local government you must comply with the requirements of this notice.

In addition, you may be required to carry out further works which are considered necessary by an Authorized Officer of the local government and specified by way of a separate written notice forwarded to the address as shown on the Shire of Merredin rates record for the relevant land.

Take notice that pursuant to section 33(4) of the *Bush Fires Act 1954*, where the owner or occupier of land who has received notice fails or neglects to comply with the requisitions of the notice within the time specified, the Shire of Merredin may by its officers and with such servants, workmen and contractors, vehicles and machinery as the officers deem fit, enter upon the land and carry out the requisitions of the notice which have not been complied with and pursuant to Section 33(5) of the *Bush Fires Act 1954* the amount of any costs and expenses incurred may be recovered from you as the owner or occupier of the land.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the *Bush Fires Act 1954*.

By order of the Council,

GREG POWELL, Chief Executive Officer.

### WESTERN AUSTRALIAN MARINE ACT 1982

#### EXEMPTION

Department of Transport  
Fremantle WA, 22 November 2011.

Exemption from compliance with Part II of the *Western Australian Marine Act 1982* for media vessels involved in event activities for the Perth 2011 ISAF Sailing World Championships.

Acting pursuant to the powers conferred by Section 115A of the *Western Australian Marine Act 1982*, I hereby exempt all bona fide “media vessels” involved in the Perth 2011 ISAF Sailing World Championships (Event) from compliance with Part II of the *Western Australian Marine Act 1982*.

For the purpose of this exemption—

A “media vessel” is a vessel that is registered as a pleasure vessel in accordance with Part VA of the *Navigable Waters Regulations 1958* (the Regulations) and is used to convey persons (and their equipment) involved in undertaking media coverage of the Event. Furthermore the “media vessels” are those vessels that have been identified on the list of vessels provided to the Department as a requirement for permission for the Event to occur under Regulation 51C of the *Navigable Waters Regulations 1958* (the Regulations).

This exemption is valid between: 28 November 2011 until 20 December 2011 inclusive.

This exemption is subject to the following conditions—

1. The exemption only applies whilst the media vessels are being used for the sole purpose of undertaking bona-fide activities directly associated with the media coverage of the Event and any related activities for which permission has been granted by the Department under Regulation 51C of the Regulations.
2. Prior to use, in the Event or associated activities, all media vessels must have been—

Accredited by the Event organiser—(Western Australia 2011 Pty Ltd), and be specifically visibly identifiable as vessels accredited as being used for the Event in accordance with the Perth 2011 Media Boat Operating Procedures provided to the Department as a

condition of permission being provided for the Event under Regulation 51C of the Regulations; and

All media vessels must have been inspected for compliance with and confirmed as suitable for use in accordance with the requirements detailed in the *Perth 2011 ISAF World Championships Media Vessel Inspection Check List* that forms an addendum to this exemption; and

Vessels being operated under this exemption must be separately identified as media vessels on the list of vessels accredited by the Event organiser that must be submitted by to the Department of Transport's Supervising Marine Officer at least 2 weeks prior to the Event's commencement.

3.1 Vessels operating under this exemption must have, and operate in accordance with, an Australian Builder's Plate (ABP) of the kind mentioned in Part VA of the Regulations.

3.1.1 The total number of persons on board is not to exceed the maximum number of persons permitted on the vessel, as indicated on the ABP expressed as a whole number and in kilograms.

3.1.2 Allowances are to be made for equipment, including media equipment, to ensure the maximum load in kilograms stated on the ABP is not exceeded.

3.2 Vessels to which this exemption applies must not be operated outside of the hours between sunset and sunrise.

3.3 This exemption does not apply to vessels being used for any activity not directly associated with the Event and not subject to the permission provided under regulation 51C of the Regulations.

3.4 The Event organisers must provide the media vessel's master and crew a comprehensive briefing on all aspects of vessel operation and handling, local rules / knowledge and safety and emergency procedures prior to the operation of any vessel that this exemption applies.

3.5 No person, other than the media vessel's master shall board the vessel without having undergone a safety briefing from the vessel master. The Briefing must include information on the fitting of lifejackets. The briefing shall be conducted at the commencement of each day, or if the personnel on the vessel change by more than 2 persons, then at the start of each voyage.

3.6 The media vessel's Master must log on with Event Control office located in the Fremantle Sea Search Rescue tower at Fremantle Boat Harbour at the commencement and completion of each voyage.

This instrument is referred to as WAMA-2011-00768.

DAVID HARROD FNI, General Manager, Marine Safety,  
Department of Transport.
