PROCLAMATION

Western Australia
By His Excellency
Doctor Kenneth Comninos Michael,
Companion of the Order of Australia,
Governor of the State of Western Australia

KENNETH COMNINOS MICHAEL
Governor

I, the Governor, acting under the Local Government Amendment Act 2009 section 2(b) and with the advice and consent of the Executive Council, fix the day after the day on which this proclamation is published in the Gazette as the day on which the provisions of that Act, other than sections 1, 2 and 34, come into operation.

Given under my hand and the Public Seal of the State on 17 November 2009.

By Command of the Governor,

G. M. CASTRILLI, Minister for Local Government.

Note 1: Under the Local Government (Functions and General) Amendment Regulations 2009 regulation 2(b), the provisions of those regulations, other than regulations 1 and 2, come into operation on the day on which section 9 of the Local Government Amendment Act 2009 comes into operation.

Note 2: Under the Local Government (Administration) Amendment Regulations 2009 regulation 2(b), the provisions of those regulations, other than regulations 1 and 2, come into operation on the day on which section 26 of the Local Government Amendment Act 2009 comes into operation.

4. **Duration of approval**

(1) This approval has effect for 10 years from the start day or a longer period that applies under subclause (2).

(2) If Esperance Port Authority applies for a further approval under regulation 17 in relation to the port within the first 9 years in which this approval has effect this approval continues to operate until the Minister grants, or refuses to grant, the further approval.

5. **Condition of approval**

This approval is subject to the condition that Esperance Port Authority ensures that clauses 6 to 8 are complied with.

6. **Minimisation of noise emissions and impact of noise**

(1) Esperance Port Authority must take all reasonable measures to reduce noise emissions from the port.

(2) Esperance Port Authority must take all reasonable measures to acquire noise sensitive premises that receive noise emitted from the port at a level that exceeds the standard prescribed by regulation 7.
7. **Reporting**

(1) Esperance Port Authority must prepare a written report —
   (a) for the year beginning on the start day; and
   (b) for each year that begins on the anniversary of that day.

(2) The report for a year must contain the following —
   (a) measurements of the noise emitted from the port when received at premises of a type set out in the Table to clause 3;
   (b) particulars of each occasion on which noise emitted from the port when received at premises of a type set out in the Table to clause 3 has exceeded the levels approved under clause 3 for that type of premises;
   (c) particulars of each complaint received by Esperance Port Authority in respect of noise emissions from the port and the action taken by Esperance Port Authority in response to the complaint;
   (d) particulars of each noise reduction measure implemented by Esperance Port Authority during the year;
   (e) details of any noise reduction measure that Esperance Port Authority proposes to undertake.

(3) Esperance Port Authority must give the report for a year to the Director within one month after the end of the year, or such other time as the Director approves.

(4) On the request of the Director, Esperance Port Authority must give the Director any assistance or information necessary to enable the report to be understood by members of the public.

(5) At any time the Director may, by notice in writing, require Esperance Port Authority to provide a report for any period of the reporting year including details of any matters specified in the notice.

(6) A report required under subclause (5) must be provided within 14 days or a longer period that is specified in the notice.

8. **Application for further approval**

(1) Any application by Esperance Port Authority for a further approval under regulation 17 in relation to the port must be accompanied by a noise management plan.

(2) The noise management plan must —
   (a) identify the sources of noise emissions from the port during the period for which the further approval is sought; and
   (b) identify the options available for reducing the noise emitted from each source; and
(c) provide a cost benefit analysis for the implementation of each of the options; and

(d) set out the levels of noise emissions from the port for which the further approval is sought taking into account the options reasonably or practicably available to Esperance Port Authority to minimise the levels of noise emissions.

DONNA FARAGHER, Minister for the Environment.

LOT 2 GUNN ROAD, ALBANY

SPECIAL CONDITIONS

1.0 GENERAL

1.1 The purpose of the zone is to create a high quality, special interest, low density living environment developable for horse owners with access to communal infrastructure and to centralised management; controlled through scheme provisions and complemented by a strata management plan.

1.2 Subdivision and development of the site is to be in accordance with a Subdivision Guide Plan to be signed by the Chief Executive Officer and endorsed by the Western Australian Planning Commission along with any minor variations that might be approved by Council and the Western Australian Planning Commission for the subject land prior to subdivision and development.

1.3 No more than 77 Single Houses (plus a caretaker/manager’s residence located on common property if a Survey Strata Equestrian proposal is undertaken) shall be permitted on the site. The minimum strata lot size shall be 2000m², with a minimum lot size of 1 hectare where green title subdivision is proposed.

1.4 All signage for the proposed development to be subject to the prior approval of Council in accordance with Scheme requirements, any relevant local law and policy.

1.5 An acoustic report will be prepared in consultation with MRWA and DEC at the time of subdivision and/or development to ensure separation of dwellings from Albany Highway meets the requirements of the Environmental Protection Act and relevant Noise Regulations.

2.0 SERVICES

2.1 No direct access will be permitted to Albany Highway.

2.2 Council may request the Commission to impose a condition at the time of subdivision requiring a contribution to the upgrading of Gunn Road and the intersection of Gunn Road and Albany Highway to the satisfaction of Council and MRWA.

2.3 Stormwater drainage shall be accommodated on-site to Council’s satisfaction. A Drainage, Nutrient and Irrigation Management Plan to the specifications of the Department of Water and the City of Albany will be required to be submitted as part of any development or subdivision application.

2.4 All lots are to be connected to the Water Corporation reticulated water system.

3.0 EFFLUENT DISPOSAL

Effluent disposal shall be the responsibility of the individual landowner and shall be undertaken to the satisfaction of Council and the Health Department of Western Australia with approved effluent disposal systems. Alternative Treatment Unit systems will be required to service the proposed development.

4.0 LANDSCAPING AND FENCING

4.1 At the development and/or subdivision application stage for green title subdivision, a landscaping plan shall be prepared and implemented to the satisfaction of Council.

4.2 The applicant is to retain existing mature trees on site where practical.

4.3 Boundary fencing shall be of rural construction, such as post and strand, to the satisfaction of Council. Restricted use of colourbond or wooden picket fencing may be approved for service areas and private courtyards in close proximity to the residence.

5.0 FIRE MANAGEMENT

5.1 Council may require the preparation and implementation of a Fire Management Plan to the satisfaction of the City of Albany and the Fire and Emergency Services Authority of WA as part of any Strata or Subdivision Application and/or Application for Planning Approval.

5.2 Areas to remain under pasture shall be maintained in a low fuel condition.

5.3 Strategic firebreaks and emergency exits are to be constructed to the requirements of the Fire and Emergency Services Authority of Western Australia and should be available for usage at all times.
6.0 BUILDING LOCATION, DESIGN AND CONSTRUCTION
6.1 All buildings should be setback a minimum of 20 metres from Albany Highway or as otherwise required by the endorsed acoustic report.
6.2 All habitable buildings are to be setback 40 metres from adjoining Lot 401 and Lot 5.
6.3 In the case of green title subdivision, in addition to the requirements of 6.1 and 6.2 above all buildings shall be setback 20m from lot boundaries abutting public road frontages and 10m from all other lot boundaries.
6.4 Other setbacks for strata title development shall be as indicated on the Development Guide Plan along with any variations as may be approved by Council.
6.5 Dwellings and outbuildings shall be designed and constructed of materials and using colours in keeping with the rural amenity of the area. Council shall not support walls and roofs constructed of reflective materials such as unpainted zincalume and off-white colours.
6.6 Dwelling houses shall not exceed 7.5 metres in height, which is measured vertically from the natural ground level. The maximum height of all outbuildings will be at the discretion of Council in order to minimise the visual impacts of such buildings when viewed from public roadways and within the subdivision.

7.0 NOTIFICATION OF PROSPECTIVE OWNERS
7.1 Provision shall be made to Council's satisfaction to ensure prospective purchasers of land within Special Use Zone 20 are given a copy of these Special Provisions prior to entering into an agreement to acquire any property.

8.0 APPLICATIONS FOR DEVELOPMENT APPROVAL
8.1 Any use and construction of buildings including associated works such as filling, excavation, and construction of retaining walls and the removal of vegetation shall require Planning consent.

9.0 KEEPING OF ANIMALS
Notwithstanding any other condition, in the event of green title subdivision the keeping of one horse per hectare will be permitted. Keeping of all animals is subject to the following conditions—
9.1 The keeping of animals shall not result in the removal or damage of revegetation and trees or result in soil degradation and dust pollution;
9.2 Where in the opinion of Council the continued presence of animals on any portion of land is likely to contribute, or is contributing to dust pollution or soil degradation, notice may be served on the owner of the said land, requiring immediate removal of those animals specified in the notice for a period specified in the notice;
9.3 When notice has been served on a landowner in accordance with this Clause the Council may also require the land to be fully rehabilitated within 3 months of serving the notice; and
9.4 In the event that such action is not undertaken, Council may carry out such works as are deemed necessary, with all costs being borne by the landowner.

10.0 DEVELOPMENT IN SURVEY STRATA FORM FOR EQUESTRIAN OR OTHER APPROVED PURPOSES
In the case of survey strata subdivision the following conditions shall apply in addition to the above:

COMMUNAL FACILITIES
10.1 Communal facilities shall include an equestrian centre and agistment area, caretakers dwelling, rural type fencing and bridle paths and shall be constructed to the satisfaction of the City of Albany.
10.2 All development of communal facilities shall be subject to the issue of a Planning Scheme Consent.
10.3 Development of communal facilities within common property shall be completed to a stage satisfactory to the Local Government prior to the issue of strata titles.
10.4 When the strata application is made, Council will only recommend approval to the Western Australian Planning Commission when a strata management plan has been prepared demonstrating the ongoing management of the site and addressing issues including—
• The ongoing maintenance and future replacement of communal infrastructure including bridle paths, fencing and landscaping;
• Appointment of an on-site manager and the establishment of centralised management of the development;
• Appropriate management measures for the equine park and strata lots;
• Acknowledgment by prospective owners that the development is a special interest equine development and that lot owners cannot complain of reasonable activity related to those special interests, or take any action that interrupts those special interest activities;
• Any other matter deemed to be consistent with these Special Conditions to the Council’s satisfaction.

BUILDING LOCATION, DESIGN AND CONSTRUCTION
10.5 All dwellings shall comply with Design Guidelines that are to be submitted at the time of lodging the planning application for the communal facilities to the satisfaction of the Council.

—Rural Pursuit (only on cleared common property areas)
—Cottage Industry
—Use of the dwelling for home holiday accommodation. | 1.0 Plan of Subdivision
1.1 Subdivision of Landscape Protection Zone Area No. 5 shall by way of strata title and generally be in accordance with the Subdivision Guide Plan endorsed by the Chief Executive Officer.
1.2 Council may recommend minor variations to the Western Australian Planning Commission but will not recommend the further breakdown of the lots created.

2.0 Objective of Landscape Protection Zone No. 5
The Objective of the Landscape Protection Zone Area No. 5 is to provide for retreat living opportunities where—

- Individual landowners have joint ownership and management responsibilities over the bulk of the site and its flora and fauna.
- Development is undertaken in harmony with the environment and surrounding landuse.

3.0 Development
3.1 Applications for development approval shall be accompanied by complete details of colours finishes, materials and detailed Strata Lot site improvement and building plans and elevations from at least the front and largest side view.
3.2 (a) All buildings and structures on Strata Lots shall be confined to the Development Areas as shown on the Subdivision Guide Plan.

shall be provided in accordance with the relevant fire authority specifications.
(e) All dwellings shall be designed and constructed in accordance with Australian Standard 3959—Construction of Buildings in Bushfire Prone Areas.
(f) The subdivider shall make arrangements to the satisfaction of Council to ensure prospective purchasers are aware of the fire management guidelines of the Homeowners Bushfire Survival Manual and Australian Standard 3959.
(g) Development shall comply with the Fire Management Plan.
(h) The Strata Management Statement shall clearly identify the individual landowner and Strata Company responsibilities in relation to the implementation and ongoing maintenance of the requirements of the Fire Management Plan.
(i) All fire risk mitigation measures contained in the approved Fire Management Plan and required to be implemented by landowners and/or the Strata Company will be subject to the overriding statutory provisions of the Bush Fire Act and the Shire’s Fire Regulations Notice, as may be amended from time to time.

8.0 Road Access
Council may request the Commission to impose a condition at the time of subdivision requiring that the subdivider/s contribute to the upgrading of Howe Road to the specification of Council and the “Planning for Bushfire Protection” document.

9.0 Fencing
Fencing of the Development Area is permitted where such fencing is of a rural post and strand construction or similar, or, in the case of fencing to contain a domestic pet kept pursuant to Provision 3.6, an alternative approved by Council.

10.0 Information/Notification of Prospective Purchasers.
10.1 Provision shall be made to Council’s satisfaction to ensure prospective purchasers of land within Landscape Protection Zone Area No. 5 are given a copy of these Provisions prior to entering into an agreement to acquire any property.
10.2 Provisions shall be made to Council’s satisfaction to ensure the Strata Management Statement acknowledges the legitimate ongoing agricultural/rural pursuits conducted in close proximity to the land and that the Strata Management Statement reflects and does not conflict with the provisions and objectives of Landscape Protection Zone Area No. 5.

PLANNING AND DEVELOPMENT ACT 2005
GREATER BUNBURY REGION SCHEME AMENDMENTS

0004/41—Capel East
0006/41—Areas Identified in the Capel Townsite Strategy

Call for Public Submissions

The Western Australian Planning Commission (WAPC) intends to amend the Greater Bunbury Region Scheme (GBRS) for land in the local government of Capel and is seeking public comment.

0004/41—Capel East

The purpose of this amendment is to transfer Lots 930, 4422, 1, 2563 and 21 Weld Road and Jamieson Road, Capel from Rural zoning to Urban Deferred zoning.

The subject land is zoned Rural under the GBRS and is located approximately 1.5km south-east of the Capel Town Centre. These lots comprise a total land area of approximately 54.7 ha. The subject land abuts land zoned Urban to the west and land zoned Rural to the north, east and south.

0006/41—Areas Identified in the Capel Townsite Strategy

The purpose of this amendment is to transfer areas identified in the recently endorsed Capel Townsite Strategy from Rural zoning to Urban Deferred zoning.

The parcels of land identified are zoned Rural under the GBRS and are located in various locations surrounding the existing Capel Townsite. These lots comprise a total land area of approximately 131.7 ha. These parcels of land abut land zoned Urban or are in very close proximity to it, as well as abutting other lots zoned Rural.

Display locations
