(2) Ordinary meetings shall be held at such intervals and at such times as the Committee may, by resolution, from time to time, fix and determine.

(3) A special meeting shall be held—

(a) whenever the Minister or the Chairman directs; or

(b) whenever any three members of the Committee, by a requisition in writing addressed to the Chairman request that a special meeting be held.

6. The Secretary for Local Government, or an officer of the Department of Local Government nominated by him, shall be the Secretary of the Committee.

7. Notice of every ordinary and of every special meeting of the Committee shall be sent, either by post or otherwise, to every member of the Committee by the Secretary, three clear days prior to the date fixed for the meeting; and, where any meeting is adjourned for any period exceeding six days, notice of such adjourned meeting shall be given or sent in the manner aforesaid.

8. The Chairman shall, if present, preside at all meetings of the Committee, and in his absence, or if, after being present, he retires, one of the members chosen by the members then present, shall preside.

9. Meetings of the Committee shall be held at such place as the Committee may, by resolution, from time to time, determine and as the Minister may approve.

10. The quorum for a meeting of the Committee shall comprise four members of whom one shall be the General Manager of the State Government Insurance Office and no quorum shall be complete unless it includes that General Manager.

11. (1) Where at any ordinary meeting of the Committee a quorum be not present within half an hour after the time fixed for the commencement of the meeting, the meeting shall stand adjourned for seven days; and if at any such adjourned meeting a quorum be not present within half an hour after the time fixed for the commencement of that meeting, the members then present shall constitute a quorum.

Any number of amendments may be proposed on a motion before the meeting; but where more than one amendment is moved, the question shall first be put on the last amendment, then on the next in succession, and so on, until all the amendments are voted on in the reverse order in which they were moved, and lastly on the original motion.

18. A motion or amendment to a motion shall not, unless seconded, be discussed by a member other than the mover thereof, or be put to the meeting by the Chairman.
