EQUAL OPPORTUNITY TRIBUNAL OF WESTERN AUSTRALIA

Matter Number: 25 of 1995

APPLICATION FOR EXEMPTION

Pursuant to Section 135 of the Equal Opportunity Act 1984 (as amended)

by

MR FRANK and MRS CHRISTINE HALLIWELL

PROPRIETORS of MARLOO CARAVAN PARK (APPLICANTS)

COMMISSIONER FOR EQUAL OPPORTUNITY (PARTY)

REASONS FOR DECISION

BEFORE: Ms C. O'Brien—Deputy President

Mr D. Forster—Member

Ms B. Paramor—Deputy Member

HEARD: 21 October 1996

IN THE EQUAL OPPORTUNITY TRIBUNAL No. 25 of 1995

In the matter of an application by Frank and Christine Halliwell for exemption pursuant to section 135 of the Equal Opportunity Act 1984 (as amended)

This is an application for exemption from the provisions of the Equal Opportunity Act 1984 (as amended) ("the Act") made by Mr Frank Halliwell and Ms Christine Halliwell, the proprietors of the Marloo Caravan Park in Carnarvon ("the applicants").

The applicants apply pursuant to section 135(1) of the Act which provides as follows:

"The Tribunal may, on application by a person, by order, grant to the person an exemption from the operation of a specified provision of Part II, III or IV."

Notice of the application was inserted in the *West Australian* newspaper on 24 February 1996. Pursuant to Part 7 regulation 24 of the Equal Opportunity regulations ("the regulations"), the Commissioner of Equal Opportunity, Ms June Williams ("the Commissioner"), was served with notice of the application and became a party to it. The other requirements of the regulations were complied with.

The matter came on for hearing before the Tribunal on 21 October 1996.

The applicants run a caravan park in Carnarvon of which the main clients are people over the age of fifty years. Initially the applicants sought an exemption from the provisions of the Act in order to refuse admission to their caravan park of people under the age of 16 years. The application was amended slightly to be an "application for exemption to cater for mature aged travellers over the age of 50 and to obtain the status of retirement tourist caravan park".

In essence, the application is one which seeks exemption from the provisions of Part 1 VB of the Act. This was confirmed by Ms Halliwell at the hearing.

Part 1 VB of the Act deals with discrimination on the ground of age. It was inserted in the Act by the Equal Opportunity Amendment Act No. 74 of 1992. Neither that amending legislation nor any other amended section 135 to allow an application for exemption from the provisions of Part 1 VB of the Act.

Accordingly, the Tribunal rules as a matter of law that it has no jurisdiction to hear the applicants' application for exemption. It is noted that this decision, being one of law and not of fact, is made by the Deputy President pursuant to section 105(3) of the Act.

The Tribunal refers to section 136 of the Act which provides that the Tribunal shall, not later than one month after it makes a decision under section 135, cause to be published in the *Gazette* a notice of the making of the decision setting out certain matters. Given the nature of this decision, the Tribunal briefly refers to the requirements for the purposes of publication.

The reasons for the decision are as outlined above.

The Tribunal made no findings of fact as this decision is one which relates to a matter of law. It was not necessary to make reference to any facts save for the basis of the applicants' application.

Similarly, the Tribunal did not refer to "evidence" in coming to its decision but simply had recourse to the grounds of the application and applied the law accordingly. Details of the documents before the Tribunal were outlined at the hearing and can be found in the transcript.

However, in summary, the Tribunal had before it all of the materials in exhibit A. In support of the application for exemption, these included an affidavit sworn by Ms Halliwell, numerous letters from members of the community, various magazine articles and written submissions prepared by the applicants. The Commissioner swore an affidavit and also presented written submissions opposing the application.

The Tribunal directs that these reasons for decision be published in the *Gazette* no later than one month from the date hereof and that the applicants and the Commissioner be served with a copy as well as the transcript of the proceedings on 21 October 1996.

21 October 1996.

C. J. O'BRIEN, Deputy President.

**TOWN PLANNING AND DEVELOPMENT ACT 1928
MODIFICATION TO SCHEME AMENDMENT AVAILABLE FOR INSPECTION**

Shire of Serpentine-Jarrahdale

Town Planning Scheme No. 2—Amendment No. 58

Ref: 853/2/29/3, Pt. 58.

Notice is hereby given that the following modifications have been made to the abovementioned scheme amendment—

SCHEDULE OF MODIFICATIONS REQUIRED TO AMENDMENT NO. 58—SHIRE OF SERPENTINE-JARRAHDAL TOWN PLANNING SCHEME NO. 2 PRIOR TO FINAL APPROVAL.

1. Delete clauses 5.15.1 and 5.15.2 in their entirety and replace with the following—
“The intent of the Agriculture Protection zone is to—
(i) protect existing and potential agricultural production areas from inappropriate subdivision and land use;
(ii) identify land that should have a level of agricultural protection over and above that which is provided for in the Rural zone. Such land should include land identified as good quality in the Land Capability Assessment for Annual and Perennial Horticulture and Grazing mapping, prepared by Agriculture Western Australia; and
(iii) acknowledge the policy provisions of the Shire of Serpentine-Jarrahdale Rural Strategy (April 1994 as amended) pertaining to the Agriculture Protection Policy Area.”
2. Clause 5.15.3 to become 5.13.2 and insert “(a)” and “(b)” before each objective, and the word “and” after the word “infrastructure”.
3. All subsequent clauses to be renumbered sequentially.
4. Amend clause 5.15.5 to state that.. “Council may require the owners..” rather than that .. “Council will require the owners..”.
5. Amend clause 5.16.6 to deleted the words “Rural Zone uses but will depend upon site survey and reference to land capability and other planning data” and replace with the words “recommended landuses for the Agricultural Protection Policy Area of the Rural Strategy subject to land capability and suitability considerations”.
6. Replace clause 5.15.7 a) with the following—
“Council will only support subdivision of land in the zone provided the subdivision is for commercial agricultural purposes, the land is deemed capable and suitable and the lots are not less than 40 hectares in area.”
Council is advised that this modification accords with the Commission’s previous advice at advertising and its view that the advice of Agriculture Western Australia is contrary to the recommendations of the approved Rural Strategy and represents a fundamental shift in the philosophy underpinning the Agricultural Protection Policy Area.
7. Delete the definition of “Horticultural Pursuit” as it is contrary to the recommendations of the Rural Strategy and the Statement of Planning Policy for the Peel Harvey Catchment, and may be viewed as unnecessary given the definition of “rural use” in the town planning scheme.

Plans and documents setting out and explaining the scheme amendment have been deposited at Council Offices, 6 Paterson Street, Mundijong and at the Western Australian Planning Commission, Albert Facey House, 469 Wellington Street, Perth, and will be available for inspection during office hours up to and including December 17, 1996.
