Rural/Special Rural

The townsites of Badgingarra and Dandaragan plus areas such as Alta Mare and Jurien Bay Heights shall comply with the aforementioned requirements on or before the 1 November 2004, and shall maintain the property clear of all inflammable materials up to and including the 29 March 2005.

That within all townsites, on all undeveloped lots, that a two (2) metre wide firebreak is slashed around all boundaries of each lot and that all inflammable materials are removed from the property.

Council may from time to time recommend that all the townsite's undeveloped lots be totally slashed to reduce the fire hazard on the blocks.

All properties, which have buildings or structures upon the property, shall remove all/any inflammable materials from the property.

Inflammable material is defined for the purpose of this notice to include bush, dry grasses, timber boxes, cartons, paper and similar flammable materials, rubbish and any combustible matter, but does not include green standing trees or growing bushes and plants in gardens or lawns.

If Council, or its duly appointed officer, does not grant such permission, you shall comply with the requirements of this notice.

1. Persons who fail to comply with the requirements stated in this order may incur penalties, either by way of infringements or prosecutions, as defined in the Bush Fire Act 1954 Regulations. In addition, should property owners fail to comply with this order, Council can, at any time *after* the specified dates, enter the property and carry out the required work, where the owner(s) of the property will be liable for all penalties and costs incurred.

2. If the requirements of this order are carried out by burning, such burning must be carried out in accordance with the relevant provisions of the Bush Fire Act.
3. The requirements of this notice are considered to be minimum standard of fire prevention to protect not only individual properties, but also the district generally. In addition to this order, the Shire of Dandaragan may issue separate special orders on owners or occupiers if a particular fire hazard removal is deemed necessary.
4. The Council *no longer* installs firebreaks for ratepayers. Council recommends the owner(s) of vacant properties contact local contractors as soon as possible to ensure the requirements of this notice are carried out.

General Description

The Hon Minister for Planning and Infrastructure has granted approval to the declaration of a Planning Control Area over land at the former Swan Valley Noongar Camp (Reserve 43131) Lots 11942 and 11966 Lord Street, Caversham and the Pyrton site (Reserve 47783) Lot 3003 and Lot 22 Lord Street, Eden Hill as shown on Western Australian Planning Commission Plan No. 3.2034.

Purpose of the Planning Control Area

The purpose of the Planning Control Area is to allow consideration of the possible future reservation of the lands for Parks and Recreation.

The Commission considers that the Planning Control Area is required to ensure that no development occurs which might prejudice this purpose until the requirements for these lands may be reserved for the purpose of Parks and Recreation in the Metropolitan Region Scheme.

Duration and Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000 and, in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
