“**consignment**” has the meaning given in Section II paragraph 211 of the International Regulations;

“**freight container**” has the meaning given in Section II paragraph 223 of the International Regulations;

“**International Regulations**” means the International Atomic Energy Agency *Regulations for the Safe Transport of Radioactive Materials 1996* —

(a) set out in Schedule A to the Code; and

(b) as modified by clauses 2.2 to 2.12 of the Code;

“**overpack**” has the meaning given in Section II paragraph 229 of the International Regulations;

“package” has the meaning given in Section II paragraph 230 of the International Regulations;

“radiation protection programme” has the meaning given in Section II paragraph 234 of the International Regulations;

“radioactive material” means a radioactive chemical element in a concentration that makes it “radioactive material” within the definition of that term in Section II paragraph 236 of the International Regulations (as modified by clause 2.4 of the Code).

3. Application

These regulations apply to the transport of radioactive materials in Western Australia and the storing, packing and stowing of radioactive materials for transport in Western Australia, if the radioactive materials are “radioactive substances” within the meaning of that term in the Act.

4. Code and International Regulations, as modified, adopted

- (1) The Code and the International Regulations, as modified by these regulations, are adopted for the purposes of regulating the transport of radioactive materials in Western Australia and the storing, packing and stowing of radioactive materials for transport in Western Australia.
- (2) Section III paragraph 311 of the International Regulations is not adopted.

5. Carrier to prepare a radiation protection programme

- (1) Within 3 months after the commencement day, each carrier is to —
 - (a) prepare a radiation protection programme in accordance with the guidelines set out in Section III paragraph 301 of the International Regulations; and
 - (b) submit the radiation protection programme to the Council for approval.
- (2) The Council is to approve a radiation protection programme if it conforms with the guidelines set out in Section III paragraph 301 of the International Regulations.
- (3) A carrier who does not submit a radiation protection programme to the Council within 3 months of the commencement day commits an offence.

Penalty: \$1 000.

Daily Penalty: \$50.

6. Offences

- (1) A person shall not deal with radioactive materials that are for transport unless the person does so in accordance with the Code.
Penalty: \$1 000.

- (2) A person shall not store, pack or stow radioactive materials for transport unless the person does so in accordance with the Code.
Penalty: \$1 000.
- (3) A person who is not the consignee of a consignment shall not interfere with the contents of that consignment.
Penalty: \$1 000.
- (4) A person shall not interfere with or alter any marking, labelling or placarding that has been applied in accordance with the Code.
Penalty: \$1 000.
- (5) A person shall not display, or permit to be displayed, on a package, overpack or freight container that does not contain radioactive material, a label referred to in Section V paragraph 541 of the International Regulations.
Penalty: \$1 000.
- (6) It is a defence to a charge under this regulation to show that the person charged was acting in the exercise of a power or the performance of a duty conferred or imposed on that person by or under the Act, or with the permission, granted under the Act, of the relevant carrier or consignor or of the Council.

7. Repeal

The *Radiation Safety (Transport of Radioactive Substances) Regulations 1991* are repealed.

By Command of the Governor,

ROD SPENCER, Clerk of the Executive Council.

METROPOLITAN REGION TOWN PLANNING SCHEME ACT*City of Swan*

DECLARATION OF PLANNING CONTROL AREA No. 60

LLOYD STREET TO ABERNETHY ROAD LINK

General Description

The Minister for Planning and Infrastructure has granted approval to the declaration of a Planning Control Area over land at Lot 78 Bushmead Road, Lots 98 and 99 Lakes Road and Lot 117 Vale Road, Hazelmere (known as Lloyd Street to Abernethy Road Link) as shown on Western Australian Planning Commission Plan No. 1.5176.

Purpose of The Planning Control Area

The purpose of the Planning Control Area is to protect land for the future construction of the portion of the proposed Lloyd Street southern extension between Bushmead Road and Great Eastern Highway Bypass.

Duration And Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000 and, in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
