WHEREAS it is enacted by section 95 of the Road Districts Act, 1919-1934, that—

(1) no election shall be deemed to be void in consequence solely of any delay of any of the stages of such election beyond the time appointed, or of any error on the part of the returning officer which does not affect the result of such election, or of any error, defect, or impediment of a merely formal nature;

(2) the Governor may at his or her discretion cause the said Board to fill any vacancies caused by resignations of members of the said Board instead of notifying the holding of such elections; and

(3) any such measures and orders shall be forthwith published in the Gazette, and shall be valid and have legal effect:

AT a meeting of the Executive Council held in the Executive Council Chambers, at Perth, this 14th day of April, 1938, the following Order in Council was authorised to be issued:

The Road Districts Act, 1919-1934.

West Kimberley Road Board.

ORDER IN COUNCIL.

WHEREAS in relation to elections required to be held for the election of a certain number of members of the West Kimberley Road Board certain obstacles have arisen and certain deficiencies exist by reason whereof the due course of such election will be impeded, that is to say, by the notice posted on the 16th day of March, 1938, giving by the said West Kimberley Road Board the said Board notified the holding on the 23rd day of April, 1938, of the annual election and extraordinary election of five members of the said Board instead of notifying the holding on the 23rd day of April, 1938, of the annual election of three members of the said Board, and also of two extraordinary elections of two members of the said Board to fill vacancies created by resignations of two members, namely, W. Steele and J. Rodgers from the said Board: And whereas it is desirable and expedient that in relation to the said elections the said obstacles shall be removed and the said deficiencies shall be supplied, in order that the said elections may be proceeded with upon the said date:

Provided that—

(i) where any nomination received by the Returning Officer as aforesaid has expressly stated or indicated therein that the candidate named therein is nominated for and in respect of only one of the said elections firstly, secondly, and thirdly as being nominations of candidates for election at the extraordinary election of one member of the said Board in the place of the said W. Steele resigned, and, thirdly, as being nominations of candidates for election at the extraordinary election of one member of the said Board in the place of the said J. Rodgers resigned:

(ii) where in accordance with paragraph (2) hereof a candidate is deemed to have been nominated for all three elections aforesaid, if he shall be found by the count of votes in respect of any one of the said elections to have been elected a member of the said Board by such election, he shall then be disqualified for election by the count in the other elections of the said candidate in the election to which he shall have become disqualified as aforesaid shall be disregarded and excluded from the count of the votes in such last-mentioned election;

(3) Electors voting at the said elections held pursuant to the notice of election aforesaid shall be entitled to vote in each election provided for in paragraph (2) hereof as if the said elections were three separate elections, and shall be entitled to receive separate ballot papers for each such election accordingly.

In the counting of the votes taken at the said elections, the votes taken at the annual election of three members shall be counted first and the three members so elected shall be ascertained accordingly; the votes taken at the extraordinary election of a member in the place of W. Steele resigned shall be counted second, and the member elected in place of W. Steele resigned as aforesaid shall be ascertained accordingly; and the votes taken at the extraordinary election of a member in the place of J. Rodgers resigned as aforesaid shall be counted last, and the member elected in the place of J. Rodgers resigned as aforesaid shall be ascertained accordingly.

In relation to the elections held in pursuance with the elections notified as aforesaid, all persons authorised to receive such votes may issue to such electors aforesaid separate ballot papers for and in respect of each election provided for in paragraph (2) hereof, but shall indicate thereon the particular election aforesaid in relation to which each such ballot paper is so issued as aforesaid, and shall in all other respects, so far as may be necessary, apply and give effect to the provisions of this Order in Council.
