- (c) state which lots (if any) he would not be prepared to accept,

and in such event a deposit equal to 10 per centum of the highest priced lot which the applicant would be prepared to accept must be lodged with the application.

(3) All applications lodged on or before such date will be treated as having been received on the closing day and, in the event of there being more applications than one for any lot, the application to be granted shall be determined by the Land Board.

(4) The successful applicant shall pay the balance of the purchase money by 10 equal instalments on the 1st day of March and the 1st day of September in each year, the first of which instalments shall become due and payable on the first such half-yearly day following the approval of the application. Every licensee shall, if so directed by the Council, take out an indemnifying insurance with an approved insurance company for such amount as the Council may consider necessary. The premiums on any such policy of indemnity shall be paid by the licensee or his servant.

ROAD DISTRICTS ACT, 1919-1951.

Collie Coalfields Road Board By-laws governing Long Service Leave to be Granted to the Employees of the Collie Coalfields Road Board.

L.G. 388/52.

THE Collie Coalfields Road Board under and by virtue of the powers conferred on it in that behalf by the Road Districts Act, 1919-1951, and all other powers enabling it doth make and publish the following by-laws:—

1. In the interpretation of the by-laws the following words shall have the meaning assigned to them hereunder:—

(a) "Board" means the Collie Coalfields Road Board;

(b) "Continuous Service" means (i) service in the employment of the Board during which an employee has not been absent from the service of the Board for a continuous period of more than ten days without leave of absence being granted by the Board; (ii) service in the employment of the Collie Road Board or the Collie Municipal Council by employees of the Board where the said employees had not been absent from the service of the Collie Road Board or the service of the Collie Municipal Council for a continuous period of more than two days or an aggregate period of more than ten days without leave of absence being granted by the Collie Road Board or the Collie Municipal Council provided that an employee who was employed by the Collie Road Board or the Collie Municipal Council on a permanent basis immediately prior to entering continuous full-time service with the Armed Forces of the Commonwealth of Australia or who was directed by the Manpower Directorate to serve elsewhere between the 3rd day of September, 1939, and the 3rd day of March, 1947, shall have such service counted as continuous service with the Collie Road Board or the Collie Municipal Council provided the requisite proof is produced.

2. Subject to clause 9 hereof all employees of the Board shall, after ten years' continuous service as permanent full-time employees of the Board or of the former Collie Road Board or Collie Municipal Council, be entitled to three months' long service leave.

3. All employees will similarly be entitled to a further period of three months' long service leave for ten years' continuous service thereafter and to a further period of three months for seven years subsequent continuous service and thereafter to periods of three months in respect of each seven years' subsequent continuous service.

4. Long service leave shall be taken at the convenience of the Board who will as far as possible meet with the wishes of the employee but the Board may require an employee to take leave by giving not less than three months' notice.

5. Absence on account of sickness shall not be deemed to be a break in continuity of service, providing the period of absence shall not exceed three months in any year, unless otherwise decided by the Board.

6. (a) Employees due to take long service leave shall be paid their salary or wage for the period thereof at the rate equivalent to the daily rate of pay at the time leave is taken.

(b) The Board may at its discretion either (1) pay to an employee his wages or salary periodically during long service leave, or (2) pay to the employee in advance a sum representing the amount of his wages or salary for the period of this long service leave.

7. Employees shall not be entitled to long service leave until the completion of ten years' service. After the completion of the first ten years, employees will then be entitled to a *pro rata* payment if they leave the service of the Board before the next period is completed.

8. In the event of resignation, retirement or death of an employee, the Board may pay to such employee (or in the case of death, to his personal representative, or if there be none, to his dependant) a sum of money equal to his salary or wages for the period of long service leave which the Board was empowered under these by-laws to grant to such employee at the date of his resignation, retirement or death, or if the Board, after consideration of all the circumstances, directs that the death of an employee be presumed, the Board may authorise the payment to the dependants of the employee a sum equivalent to the amount of salary or wages which would under this by-law have been granted to the employee immediately prior to the date of his death, such date to be determined by the Board.

9. An employee dismissed by the Board, except in the matter of retrenchment, shall not be paid any sum in pursuance of the preceding by-law.

10. Long service leave shall be considered as a special period of recuperation after a lengthy term of service with a view to fitting the employee for a further term, and during such leave no employee shall undertake any form of employment for hire or reward unless by special permission of the Board. Any contravention of this clause shall entitle the Board to dismiss the employee from its service, and to cease paying or to recover any amounts paid in advance on account of long service leave.

11. For the purpose of these by-laws continuous service of former employees of the Collie Road Board now employed by the Collie Coalfields Road Board shall be calculated from the 1st day of November, 1937, and former employees of the Collie Municipal Council now employed by the Collie Coalfields Road Board shall be calculated from the 1st January, 1940.

WEST AUSTRALIAN COAL INDUSTRY TRIBUNAL.

In the matter of the Mining Act, Amendment Act, No. 84 of 1948, Part XIII, Division I. And in the matter of Award No. 12 and 13 of 1934 in the matter of an industrial dispute wherein the Amalgamated Engineering Union Collie Branch, and the Australasian Society of Engineers, Collie Branch, and Amalgamated Collieries of W.A. Ltd., and others, are parties; and in the matter of an application by the applicant unions to add to clause 7 the last paragraph thereof omitted from the judgment of the Local Reference Board on 31/1/52 (Application 34 of 1951).

Decision—Correction.

By a judgment of the Local Reference Board, Western Australia, delivered on 31st January, 1952, an order was made, inter alia, deleting clause 7 of Award Nos. 12 and 13 of 1934, of the Court of Arbitration, Western Australia, and inserting in lieu thereof an entirely new clause 7.

In the written decision of the Board the second paragraph of the new clause 7 was omitted inadvertently. The paragraph omitted reads as follows:—

In the case of a worker being permanently employed underground his time shall be computed from bank to bank. In the event of a shop hand being engaged on underground work of a casual nature his time shall be computed from shop to shop.

The written decision of the Local Reference Board dated 31st January, 1952, shall henceforth be read as if the abovementioned paragraph had been inserted and the Award, Nos. 12 and 13 of 1934, considered to have been amended accordingly.

Dated at Collie this 20th day of November, 1952.
