“

12. Exercise of powers under sections 18B, 18G and 18L of the Act

- (1) The Authority must not under section 18B(3)(i), 18G(3)(e) or 18L(3)(e) of the Act shut off the gas supply to premises unless those premises are residential premises and the gas supply is shut off by closing a valve located above ground on the premises.
- (2) If practicable, before shutting off the gas supply under subregulation (1), the Authority must liaise with the network operator supplying the gas to the premises.
- (3) If the Authority closes a valve under subregulation (1), the Authority must not re-open that valve.
- (4) The Authority must not under section 18B(3)(i), 18G(3)(e) or 18L(3)(e) of the Act shut off the gas supply to premises that are not residential premises unless it has been authorised to do so by the network operator supplying gas to the premises.
- (5) If the gas supply to premises is shut off by the Authority, the Authority must as soon as practicable after doing so and in any event within 2 hours of doing so give the network operator supplying gas to the premises a notice containing the following information —
 - (a) the gas supply has been shut off;
 - (b) the address of the premises; and
 - (c) the time at which the gas supply was shut off.

- (6) The Authority must not under section 18B(3)(i), 18G(3)(e) or 18L(3)(e) of the Act disconnect or shut off the electricity supply to premises unless —
- (a) it has been authorised to do so by the network operator supplying the electricity to the premises;
 - (b) the person who disconnects or shuts off the electricity supply is, in the opinion of the Authority, competent to do so and is familiar with the electrical installations on the premises;
 - (c) the premises are residential premises;
 - (d) electrical installations on the premises are metered by a single, direct connected electricity meter; and
 - (e) any installation on the premises has a voltage of not more than 415 volts.
- (7) If the Authority disconnects or shuts off the electricity supply to premises under subregulation (6), the Authority must not reconnect or switch on the electricity supply to those premises.
- (8) The Authority must not under section 18B(3)(i), 18G(3)(e) or 18L(3)(e) of the Act shut off the water supply to premises unless —
- (a) the water supply is shut off by a valve located on or immediately adjacent to the premises; and
 - (b) shutting off the water supply by that valve will not shut off water to any other premises.
- (9) If practicable, before shutting off the water supply under subregulation (8), the Authority must liaise with the person supplying the water to the premises.

13. Register of members of SES Unit

“

- (4) If a crane other than a non-slewing crane, is used at a construction site, a person who at the site, is the main contractor, an employer or a self-employed person,

must ensure that the crane is fitted as far as practicable with a system having the following components —

- (a) at least one light source inside the crane that emits green light only if a load being lifted by the crane is less than or equal to 90% of the crane's rated capacity and which light gives the crane operator an effective warning signal of the status of the load in that respect;
- (b) at least one light source on the outside of the crane that emits a green light only if a load being lifted by the crane is less than or equal to 90% of the crane's rated capacity and which light is visible to a person in the vicinity of the crane;
- (c) at least one light source inside the crane that emits amber light only if a load being lifted by the crane is greater than 90% and less than 100% of the crane's rated capacity and which light gives the crane operator an effective warning signal of the status of the load in that respect;
- (d) at least one light source on the outside of the crane that emits an amber light only if a load being lifted by the crane is greater than 90% and less than 100% of the crane's rated capacity and which light is visible to a person in the vicinity of the crane;
- (e) at least one light source inside the crane that emits a flashing red light only if a load being lifted by the crane is greater than 100% of the crane's rated capacity and which light gives the crane operator an effective warning signal of the status of the load in that respect;
- (f) at least one light source on the outside of the crane that emits a flashing red light only if a load being lifted by the crane is greater than 100% of the crane's rated capacity and which light is visible to a person in the vicinity of the crane;
- (g) an alarm that sounds inside the crane only if a load being lifted by the crane is greater than 100% of the crane's rated capacity, which alarm gives the crane operator an effective warning signal of the status of the load in that respect; and
- (h) an alarm that sounds outside the crane only if a load being lifted by the crane is greater than 100% of the crane's rated capacity, which sound is audible to a person in the vicinity of the crane.

- (5) A person does not commit an offence under subregulation (4) if the percentage of a crane's rated capacity at which a light is emitted or an alarm sounds differs by no more than 2% from that required under subregulation (4) if, proof of which is on the person —
- (a) only one colour of light is emitted by the inside and outside light sources at a time;
 - (b) the inside and outside alarms sound at the same time as the inside and outside light sources emit red light;
 - (c) the percentage of the crane's rated capacity above which the inside and outside light sources emit red light and the inside and outside alarms sound is not greater than 100%; and
 - (d) the crane is operated in accordance with written instructions developed at the time of design or manufacture by the person who designed or manufactured the crane.

Penalty applicable to subregulations (1), (2), (3) and (4): \$25 000.

4. Regulation 4.54 replaced

Regulation 4.54 is repealed and the following regulation is inserted instead —

“

4.54. Additional requirements as to cranes, hoists and building maintenance units

(1) In this regulation —

“**certificate of competency**” has the meaning given to that term in Part 6;

“**dogger**” means a person who holds a certificate of competency as a dogger;

“**responsible person**”, in relation to a workplace, means a person who, at the workplace is an employer, the main contractor, a self-employed person or a person having control of the workplace;

“**rigger**” means a person who holds a certificate of competency as a rigger;

“**vehicle loading crane**” means a crane mounted on a vehicle for the principal purpose of loading items onto the vehicle and unloading items from the vehicle.

(2) If, at a workplace, a person is to ride in a work box suspended from a crane, each responsible person at the workplace must ensure that both the rider and the driver of the crane have been given written instructions for the use of the crane in those circumstances, setting out the conditions of use, and signed by both the responsible person and a competent person.

(3) If a crane or hoist is at a workplace, each responsible person at the workplace must ensure that the crane or hoist is not used as an amusement structure, whether or not for payment or reward.

(4) If there is a crane, hoist or building maintenance unit at a workplace then each responsible person at the

workplace must ensure that the crane, hoist or unit is maintained, inspected and operated —

- (a) in accordance with written instructions developed at the time of design or manufacture by the person who designed or manufactured the crane, hoist or unit;
 - (b) if it is not practicable for that person to obtain the instructions referred to in paragraph (a), in accordance with any written instructions approved by the Commissioner for the purposes of this paragraph; or
 - (c) if it is not practicable for that person to obtain instructions referred to in paragraph (a) or (b), in accordance with AS 2550.1 and any other part of AS/NZS 2550 that is relevant to that kind of plant and with AS 1418.1 and any other part of AS/NZS 1418 that is relevant to that kind of plant.
- (5) A person does not commit an offence under subregulation (4) in not complying with item 10.4.1(a), 10.4.2(e), or 10.4.3(d) of AS 2550.10 before 3 October 2005 where the relevant plant is a hoist that —
- (a) is a boom-type elevating work platform;
 - (b) is used only in connection with commercial fruit growing; and
 - (c) was owned immediately before 3 October 2003 by a person who has owned it continuously since then.
- (6) Nothing in subregulation (4) or (5) affects the requirement under regulation 4.34 to make and keep records of maintenance and inspection.
- (7) A responsible person at a workplace must ensure that no crane is used at the workplace for multi-crane hoisting unless —
- (a) the rated capacity of the crane exceeds the crane's share of the load by at least —
 - (i) 20%, if 2 cranes are used;
 - (ii) 33%, if 3 cranes are used; or
 - (iii) 50%, if more than 3 cranes are used;
 - (b) the physical dimensions and mass of the load prevent the load from being handled by a single crane that is readily available; and
 - (c) the hoisting is supervised by a competent person who is not an operator of one of the cranes.

- (8) If a crane with a maximum rated capacity of greater than 60 tonnes, other than a vehicle loading crane, is used at a construction site, a responsible person must ensure that the crane is not used unless the following persons are involved in the use of the crane —
- (a) at least one crane operator who has experience in the use of such a crane;
 - (b) at least —
 - (i) one dogger and one rigger;
 - (ii) 2 doggers; or
 - (iii) 2 riggers,each of whom has experience in the use of such a crane.
- (9) If a crane with a maximum rated capacity of equal to or more than 10 tonnes and less than or equal to 60 tonnes, other than a vehicle loading crane, is used at a construction site a responsible person must ensure that the crane is not used unless the following persons are involved in the use of the crane —
- (a) at least one crane operator who has experience in the use of such a crane;
 - (b) at least —
 - (i) one dogger; or
 - (ii) one rigger,who has experience in the use of such a crane.
- (10) If a vehicle loading crane with a boom of a length greater than 3 metres, or capable of extending to a length of greater than 3 metres, is used at a construction site, a responsible person must ensure that the crane is not used unless the following persons are involved in the use of the crane —
- (a) at least one crane operator who has experience of such use of such a crane;
 - (b) at least one dogger who has experience of such use of such a crane.
- (11) If a crane with a maximum rated capacity of less than 10 tonnes and a boom of a length greater than 3 metres, or capable of extending to a length of greater than 3 metres, other than a vehicle loading crane, is used at a construction site a responsible person must ensure that the crane is not used unless the following persons are involved in the use of the crane —
- (a) at least one crane operator who has experience of such use of such a crane;
 - (b) at least one dogger who has experience of such use of such a crane.

- (12) If a crane at a workplace is of a kind set out in Schedule 4.1 or 4.2, and there is an event or occurrence that causes, or that at the time of the event or occurrence would reasonably be expected to cause, the crane to be damaged or to malfunction to the extent that risk of injury or harm occurring to a person at the workplace increases, a person having control of the workplace must as soon as practicable after the person becomes aware of the event or occurrence ensure that the Commissioner is notified of the event or occurrence.

Penalty applicable to subregulations (2), (3), (4), (7), (8), (9), (10), (11) and (12): \$25 000.

”

5. Regulation 6.2 amended

Regulation 6.2(1) is amended as follows:

- (a) after paragraph (a) by deleting “and”;
- (b) after paragraph (b) by deleting the full stop and inserting instead —

“

; and

- (c) to a record of training is to be treated as a reference to a record of training that complies with regulation 6.2A.

”

6. Regulation 6.2A inserted

After regulation 6.2 the following regulation is inserted —

“

6.2A. Record of training

For the purposes of this Part a record of training in relation to a person who applies to the Commissioner in accordance with the national standard for a certificate of competency (the “**applicant**”) is a current English language record that —

- (a) includes the applicant’s name and address;
- (b) includes for each specific type of industrial equipment the applicant used and operated during the training, sufficient information to show the tasks performed and the outcomes achieved by the applicant in the use and operation of the equipment;
- (c) includes for each occasion the applicant used and operated each specific type of industrial equipment —
 - (i) the date and time when the applicant used and operated the equipment;

- (ii) the name of the person who oversighted or supervised the applicant's use and operation of the equipment, and the number of that person's certificate of competency; and
 - (iii) a signed statement by that person to the effect that he or she oversighted or supervised the applicant's use and operation of the equipment;
- and
- (d) otherwise complies with the national standard.

BUSH FIRES ACT 1954*Town of East Fremantle/City of Fremantle***METROPOLITAN FIRE DISTRICT**

Notice to All Owners and/or Occupiers of Land in East Fremantle and Fremantle

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before 30th day of November, 2003 or within fourteen days of the date of you becoming owner or occupier should this be after the 30th day of November, 2003 and thereafter up to and including the 31st day of March, 2004 to have a firebreak clear of all flammable materials, at least three metres wide immediately inside all external boundaries of land and also immediately surrounding all buildings situated on the land.

If it is considered to be impractical for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer not later than the 15th day of November, 2003 for permission to provide firebreaks in alternative positions on the land. If the Council or its duly authorised officer does not grant permission, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not more than \$5000 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required by this notice.

NOTE: Burning is prohibited. No permits will be issued.

By order of Town of East Fremantle,

STUART WEARNE, Chief Executive Officer.

By order of City of Fremantle,

D. WHITE, Chief Bush Fire Control Officer.

LG502*

BUSH FIRES ACT 1954*Shire of Lake Grace***FIREBREAK NOTICE**

Notice to all Owners and Occupiers of Land in the Shire of Lake Grace

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before the first day of November up to and including the 31st day of March the following year, to have a firebreak clear of all inflammable material in accordance with the following—

(i) RURAL LAND

1. a) Immediately inside all external boundaries of the property or as is practicable, firebreaks of not less than 3 metres wide and
- b) Where buildings, haystacks, fuel ramps, fuel tanks and stored fuel drums are situated on land, firebreaks of not less than 2.5 metres wide within 33.5 metres of the perimeter of such buildings, haystacks, fuel ramps, fuel tanks and stored fuel drums in such manner as to completely encircle the buildings, haystacks, fuel ramps, fuel tanks and stored fuel drums and;
2. Where land is in crop and adjoins the railway line reserve a firebreak of not less than 3 metres wide encircling the crop and;
3. a) Immediately surrounding an aerial landing ground situated on the land a firebreak of not less than 6 metres wide and;
- b) Any aerial landing ground used as the motor start up, refuelling and maintenance area to be completely cleared of all flammable materials for a radius of 18 metres and;
4. Maintain clear of all flammable materials all townsite blocks and;
5. Where bush or land has been bulldozed, chained or prepared in any similar manner for clearing by burning (whether intended to burn the bush or not), provide a firebreak of NOT LESS THAN 13 METRES WIDE inside the external boundaries of the land so prepared. If you become owner or occupier of land after the first day of November, 2003, the requirements of this notice are varied so as to require you to comply with the terms of this notice within fourteen days of the date of your becoming owner or occupier of such land, instead of on or before the first day of November, 2003. The firebreaks required by this notice are to be maintained clear of flammable materials up to and including the 31st day of March, 2004.
6. A readily mobile operational fire fighting unit containing a minimum of 400 litres of water on standby and available for inspection is required during the period 1st November 2003 to 31st March 2004.

(ii) TOWN LAND

1. Where the area of the land is 0.202 hectares (half an acre) or less all inflammable material on the land shall be removed from the whole of the land; and
2. Where the land exceeds 0.202 hectares (half an acre) in area, firebreaks at least 2 metres wide shall be cleared of all inflammable material immediately inside all external boundaries of the land and also immediately surrounding all buildings situated on the land.

GENERAL

If it is considered to be impracticable for any reason to clear firebreaks or to remove inflammable material from land or any other provisions required by this notice you may apply to the Council or its' duly authorised officer not later than 30th October, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is granted by Council or its' duly authorised officer, you shall comply with the requirements of this notice.

"Inflammable Material" is defined for the purpose of this Order to include bush (as defined in the Bush Fires Act), timber, boxes, cartons, paper and like inflammable materials, rubbish and also any combustible matter, but does not include green standing trees or growing bushes and plants in gardens, or lawns.

The penalty for failing to comply with this notice is a fine of not more than \$1,000 or a penalty of \$100 may be incurred by issue of an infringement notice, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice if it is not carried out by the owner or occupier before the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provision of the Bush Fires Act. A permit to burn is required during the restricted burning period from an authorised officer. Permits are not valid on Sundays or public holidays.

By Order of the Council,

NEVILLE HALE, Chief Executive Officer.

MEDICAL ACT 1894
ORDERS OF THE BOARD

Inquiry No.: 1791-92

Date Heard: 24 September 2003

Date Delivered: 24 September 2003

In the matter of the Medical Act 1894, as amended and in the matter of Dr Ian Gulland and in the matter of an inquiry conducted by the Medical Board of Western Australia pursuant to section 13 of the Medical Act.

Before: Professor C. A. Michael AO, MD, FRCOG, FRACOG, DDU; Professor L. Landau MBBS, FRACP, MD; Professor B. A. R. Stokes AM, MBBS, FRAC; Mr N. Mullany LLB (Hons) (West Aust), BCL (Oxon); Ms A. White.

Upon hearing Mrs Fiona Vernon, Counsel Assisting the Medical Board, and Mr Damien Gordon, Counsel for Dr Gulland, on the allegations contained in the Amended Notice of Inquiry issued 18 August 2003 the Board finds Dr Gulland guilty of infamous conduct and orders that—

1. The name of Dr Gulland be removed from the Register.
2. Dr Gulland pay the reasonable costs of the inquiry to be agreed and, if not agreed, to be fixed by the Board after receiving further written submissions in that regard within 30 days of publication of the Board's reasons.

Dated the 25th day of September 2003.

SIMON M. HOOD, Registrar.

MEDICAL ACT 1894
INQUIRY OF THE MEDICAL BOARD OF WESTERN AUSTRALIA
INQUIRY No. 1620-23: Dr ZDENEK SRNA

We confirm that on 14 August 2003 the Medical Board made the following orders in relation to the above inquiry—

1. The registration of Dr Zdenek Srna be suspended for a period of three months.
2. The period of suspension referred to in paragraph 1 is to commence from 19 September 2003.
3. Dr Srna pay two-thirds of the reasonable costs of the Inquiry.

On 19 September 2003 the Supreme Court of Western Australia made an order suspending the Medical Board's orders pending the determination of an appeal by Dr Srna against the Medical Board's decision.

Consequently, at present Dr Srna is a medical practitioner whose registration under the Medical Act 1894 is current.

METROPOLITAN REGION TOWN PLANNING SCHEME ACT 1959
DECLARATION OF PLANNING CONTROL AREA NO. 75
LOT 7, ABSOLON STREET AND STOCK ROAD, PALMYRA
CITY OF MELVILLE

File: 835/2/1/5

General Description

The Hon Minister for Planning and Infrastructure has granted approval to the declaration of a Planning Control Area over land at Lot 7, Absolon Street and Stock Road, Palmyra as shown on Western Australian Planning Commission Plan No. 3.1720.

Purpose of The Planning Control Area

The purpose of the Planning Control Area is to protect the land for future upgrading of Stock Road to ensure that no development occurs on this land which might prejudice this purpose until it may be reserved for the purpose of Primary Regional Roads in the Metropolitan Region Scheme.

Duration and Effects

The declaration remains in effect for a period of five years from the date of publication of this notice in the *Government Gazette* or until revoked by the Western Australian Planning Commission with approval by the Minister, whichever is the sooner.

A person shall not commence and carry out development in a Planning Control Area without the prior approval of the Western Australian Planning Commission. The penalty for failure to comply with this requirement is \$2,000 and, in the case of a continuing offence, a further fine of \$200 for each day during which the offence continues.

Compensation is payable in respect of land injuriously affected by this declaration, and land so affected may be acquired by the Western Australian Planning Commission in the same circumstances and in the same manner as if the land had been reserved in the Metropolitan Region Scheme for a public purpose.
